BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF CRAB ORCHARD-MACARTHUR PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Crab Orchard-MacArthur Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Raleigh County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public sewerage facilities of the Issuer, consisting of improvements to the Issuer's wastewater system, rehabilitation of three existing pump stations and expansion and upgrading of the existing wastewater treatment plant in Raleigh County, together with all appurtenant facilities (collectively, the "Project"), which constitute properties for the collection, transportation, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing public sewerage system of the Issuer, the Project and any further additions, betterments and improvements thereto or extensions thereof are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineer, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund Program which the Authority administers pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), in the total aggregate principal amount of not more than \$6,818,600 (the "Series 2001 A Bonds"), to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor and eligible under the SRF Program; interest, if any, upon the Series 2001 A Bonds prior to and during acquisition and construction of the Project and for a period not exceeding six (6) months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2001 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2001 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition and construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2001 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after the completion of the Project is not less than 35 years.

F. It is in the best interests of the Issuer that the Series 2001 A Bonds be sold to the Authority pursuant to the terms and provisions of the Bond Purchase Agreement (hereinafter defined), by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the parties thereunder, approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank either on a parity with or junior and subordinate to the Series 2001 A Bonds as to liens, pledge and source of and security for payment, being (i) the Sewer Revenue Bonds, Series 1986 B, dated May 29, 1986, issued in the original aggregate principal amount of \$161,688 (the "Series 1986 B Bonds"), (ii) the Sewer Revenue Bonds, Series 1993, dated April 29, 1993, issued in the original aggregate principal amount of \$90,000 (the "Series 1993 Bonds"), (iii) the Sewerage System Refunding Revenue Bonds, Series 1996 A, dated July 15, 1996, issued in the original aggregate principal amount of \$4,925,000 (the "Series 1996 A Bonds"), (iv) the Sewerage System Revenue Bonds, Series 1997 A (West Virginia SRF Program), dated June 5, 1997, issued in the original aggregate principal amount of \$250,000 (the "Series 1997 A Bonds"), (v) the Sewerage System Revenue Bonds, Series 1997 B (West Virginia Infrastructure Fund), dated June 5, 1997, issued in the original aggregate principal amount of \$1,774,300 (the "Series 1997 B Bonds"), and (vi) the Sewerage System Design Revenue Bonds, Series 1999 (West Virginia SRF Program), dated December 16, 1999, issued in the original aggregate principal amount of \$478,630 (the "Series 1999 Bonds"). The Series 2001 A Bonds shall be issued on a parity with the First Lien Bonds and senior and prior to the Series 1993 Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2001 A Bonds, the Issuer will obtain a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the First Lien Bonds are met and the written consent of the Holders of the Series 1986 B Bonds, the Series 1997 A Bonds, the Series 1997 B Bonds and the Series 1999 Bonds to the issuance of the Series 2001 A Bonds on a parity with the Series 1986 B Bonds, the Series 1997 A Bonds, the Series 1997 B Bonds and the Series 1999 Bonds. Other than the Prior Bonds, there are no Outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Resolutions.

H. I. The Issuer has complied with all requirements of West Virginia law and the Bond Purchase Agreement relating to authorization of the acquisition and construction of the Project and operation of the System and issuance of the Series 2001 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2001 A Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council (the "Council") pursuant to Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In case any one or more of the officers who shall have signed or sealed the Series 2001 A Bonds shall cease to be such officer of the Issuer before the Series 2001 A Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2001 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2001 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2001 A Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2001 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2001 A Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that such Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2001 A Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Series 2001 A Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging the Series 2001 A Bonds or transferring the registered Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2001 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2001 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2001 A Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2001 A Bonds shall be secured by a first lien on the Net Revenues derived from the System, on a parity with the lien on such Net Revenues in favor of the Holders of the First Lien Bonds and senior and prior to the lien on Surplus Revenues in favor of the Holder of the Series 1993 Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2001 A Bonds and the First Lien Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2001 A Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2001 A Bonds to the original purchasers upon receipt of the documents set forth below:

- E. The unqualified approving opinion of bond counsel on the Series 2001 A Bonds.

Any withdrawals from the Series 2001 A Bonds Reserve Account which result in a reduction in the balance of the Series 2001 A Bonds Reserve Account to below the Series 2001 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2001 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2001 A Bonds Sinking Fund or the Series 2001 A Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2001 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2001 A Bonds and the First Lien Bonds, and thereafter, with respect to the Series 1993 Bonds from Surplus Revenues, all in accordance with the respective principal amounts then outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2001 A Bonds Sinking Fund and the Series 2001 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into the Series 2001 A Bonds Sinking Fund and the Series 2001 A Bonds Reserve Account shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2001 A Bonds Sinking Fund and the Series 2001 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2001 A Bonds Sinking Fund, and the Series 2001 A Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2001 A Bonds under the conditions and restrictions herein set forth.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to

be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the required principal, interest and reserve account payments with respect to the Series 2001 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission and the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2001 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2001 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2001 A Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2001 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2001 A Bonds, shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2001 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2001 A Bonds shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the System, on a parity with the lien on such Net Revenues in favor of the Holders of the First Lien Bonds and senior and prior to the lien on Surplus Revenues in favor of the Holder of the Series 1993 Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2001 A Bonds and the First Lien Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Final Order of the Public Service Commission of West Virginia entered September ____, 2001, in Case No. 01-0245-PSD-CN, and such rates are hereby adopted.

So long as the Series 2001 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2001 A Bonds shall prove to be insufficient to produce the amounts required by this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the amounts required by this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolutions. Additionally, so long as the Series 2001 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2001 A Bonds, immediately be remitted to the Commission for deposit in the Series 2001 A Bonds Sinking Fund, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2001 A Bonds. Any balance remaining after the payment of the Series 2001 A Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such

property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be remitted by the Issuer to the Commission for deposit in the Sinking Funds and applied only to the purchase of Bonds of the last maturities then outstanding at prices not greater than the par value thereof plus 3 % of such par value or deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Sinking Funds or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2001 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2001 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2001 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2001 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2001 A Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be

applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2001 A Bonds pursuant to this Bond Legislation, except with the prior written consent of the DEP and the Authority under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolutions).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2001 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition and construction of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such

additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2001 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2001 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition and construction of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Series 2001 A Bonds, and shall mail in each year to any Holder or Holders of the Series 2001 A Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary

thereof, to any Holder or Holders of the Series 2001 A Bonds, and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 2001 A Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Bond Purchase Agreement, the Act and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Bond Purchase Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and representatives, access to the System site and facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the Bond Purchase Agreement or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 2001 A Bonds equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% (provided, however, that so long as any of the Series 1996 A Bonds are outstanding, the coverage ratio shall be 125%) of the maximum amount required in any year for payment of principal of and interest, if any, on the

Series 2001 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2001 A Bonds, including the First Lien Bonds but excluding the Series 1993 Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2001 A Bonds Reserve Account and the Reserve Accounts for obligations on a parity with the Series 2001 A Bonds, including the First Lien Bonds but excluding the Series 1993 Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% (provided, however, that so long as any of the Series 1996 A Bonds are outstanding, the coverage ratio shall be 125%) of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2001 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2001 A Bonds, including the First Lien Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the DEP and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Bond Purchase Agreement as Exhibit B, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Bond Purchase

Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the DEP and the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the DEP and the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the DEP and the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the DEP and the Authority and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Bond Purchase Agreement as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all state and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Bond Purchase Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or

authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest, if any, on the Series 2001 A Bonds from gross income for federal income tax purposes.

to maintain the status of the Series 2001 A Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2001 A Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority, the Council or the DEP, as the case may be, from which the proceeds of the Series 2001 A Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority, the Council or the DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2001 A Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

- (1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2001 A Bonds; or
- (2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2001 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2001 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or
- (3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or
- (4) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holder of the Series 2001 A Bonds shall be on a parity with the Holders of the First Lien Bonds and senior and prior to the Holder of the Series 1993 Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and

the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

Local Bonds; Security for Local Bonds;
Repayment of Local Bonds; Interest on Local Bonds;
Fees and Charges

4.1 The Local Government shall, as one of the conditions of the Authority and DEP to purchase the Local Bonds, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Local Government in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues will be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or

otherwise concurrently with the issuance thereof in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Local Government has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the net or gross revenues of the System as provided in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Local Government shall complete the Project and

operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the SRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole or substantially as a whole, provided that the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Government will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Government under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due,

shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Government will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Government shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and DEP, which report shall include a statement that the Local Government is in compliance with the terms and provisions of the Local Act and this Bond Purchase Agreement and that the Local Government's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Local Government shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and DEP within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Government and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Local Government, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and DEP, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Government may authorize redemption of the Local Bonds with 30 days written notice to the Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That the Local Government shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Government shall complete the Monthly Payment Form, attached hereto as Exhibit F and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Government will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Government shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and DEP is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Government shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Local Government, then the Local Government shall enter into a termination agreement with the water provider; and

(xxi) That the Local Government shall submit all proposed change orders to the DEP for written approval. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Government hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit G.

4.2 The Local Bonds shall be secured by the pledge and assignment by the Local Government, as effected by the Local Act, of the fees, charges and other revenues of the Local Government from the System.

4.3 At least five percent (5%) of the proceeds of the Local Bonds will be advanced on the Date of Closing. The remaining proceeds of the Local Bonds shall be advanced by the DEP monthly as required by the Local Government to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Government, the DEP and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the SRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Government. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the SRF Regulations, the Local Government agrees to pay from time to time, if required by the Authority and DEP, the Local Government's allocable share of the reasonable administrative expenses of the Authority relating to the Program. 7.3 This Bond Purchase Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Bond Purchase Agreement.

7.4 No waiver by any party of any term or condition of this Bond Purchase Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Bond Purchase Agreement.

This is the incremental amount for the Budget Year to Date column.
2. In Item 2, provide the amount of actual operating expenses for the current month and the total amount year to date in the respective columns. The SRF administrative fee should be included in the operating expenses. Divide the budgeted annual operating expenses by 12. This is the incremental amount for the Budget Year to Date column.
3. In Item 3, provide the principal, interest and reserve account payments for all the outstanding bonds of the Local Government other than this Loan.

If gross revenues are \$12,000, the Renewal and Replacement Fund should have an amount of \$300 (2.5% of \$12,000), LESS the amount of all reserve account payments in Items 3 & 4. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.
6. The Local Government must complete the Monthly Financial Report and forward it to the DEP by the 10th day of each month, commencing on the date contracts are executed for the construction of the Project and for 2 years following the completion of the Project. The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Government on _____, as supplemented by the

supplemental resolution duly adopted by the Local Government on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Government is a duly organized and presently existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of

bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

CASE NO. 01-0245-PSD-CN

CRAB ORCHARD-MACARTHUR PUBLIC SERVICE
DISTRICT, a public utility.

Application for a certificate of
convenience and necessity to construct
improvements to its existing wastewater
system, including rehabilitation of three
existing pump stations and expansion and
upgrading of the existing wastewater treat-
ment plant in Raleigh County.

RECOMMENDED DECISION

On April 19, 2001, the Crab Orchard-MacArthur Public Service District (District) filed an application, duly verified, for a certificate of convenience and necessity to construct improvements to its existing wastewater system, including rehabilitation of three existing pump stations and expansion and upgrading of the existing wastewater treatment plant in Raleigh County. The District estimated that construction cost of the project will not exceed \$8,000,000. The project is to be financed by a Clean Water State Revolving Fund loan in an amount not to exceed \$8,000,000, at 0% interest, with a 0.5% administrative fee for a period of thirty (30) years. The District proposed an increase in its rates and charges.

By Order issued April 19, 2001, the District was directed to give notice of the filing of said application by publishing a copy of the April 19, 2001 Order in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Raleigh County, making due return to the Commission of proper certification immediately after publication. The Notice provided that anyone desiring to make objection to the application must do so, in writing, within thirty (30) days of the publication of the Notice, to the Executive Secretary's Office, Post Office Box 812, Charleston, West Virginia.

By Order entered April 30, 2001, this matter was referred to the Division of Administrative Law Judges for a decision to be rendered on or before November 15, 2001.

On May 31, 2001, the District filed its affidavit of publication, indicating that the Notice of Filing was published in The Register-

Herald, a newspaper duly qualified by the Secretary of State and of general circulation in Raleigh County, on April 26, 2001. The thirty-day protest period expired without protest.

On June 5, 2001, Staff filed its Initial Joint Staff Memorandum, indicating that it was reviewing the project and would file its recommendation with the Commission once the review was complete.

On July 3, 2001, the District filed a copy of the certified bid tabulations for the project. The District stated that it believed it had filed all necessary information with the Commission in order for it to act upon its application. The District indicated that it would supply any additional information requested by Staff.

On July 18, 2001, the Commission received a copy of correspondence from the West Virginia Department of Environmental Protection, regarding WV/NPDES Permit No. WV0082309-A, Raleigh County, Modification No. 2.

By Procedural Order issued July 27, 2001, Staff was directed to file its substantive recommendation in this matter no later than July 31, 2001. The District was directed to respond to the Final Joint Staff Recommendation no later than August 7, 2001. The Order also provided that any settlement in this matter was to be filed no later than August 14, 2001. The matter was set for hearing to be held on Monday, August 20, 2001, in the Howard M. Cunningham Hearing Room, Public Service Commission Building, 201 Brooks Street, Charleston, West Virginia.

On August 2, 2001, Staff filed its Final Joint Staff Memorandum, recommending that a conditional certificate be issued; that the financing be approved; and that any changes to the plans, scope and terms of financing of the project be submitted for further review and approval by the Commission.

On August 3, 2001, the District filed a Summary Statement of Accounts and a copy of a modification of the District's WV/NPDES Water Pollution Control Permit No. WV 0082309.

On August 10, 2001, the District responded to Staff's recommendation. The District provided Staff with additional information, pursuant to Staff's request.

By Order issued August 14, 2001, the hearing originally scheduled to be held on August 20, 2001, was rescheduled to be held on September 24, 2001, in the Howard M. Cunningham Hearing Room, Public Service Commission Building, Charleston. The parties were directed to file any settlement in this matter no later than September 14, 2001, for the Administrative Law Judge's review.

On August 21, 2001, the District filed additional information regarding the design of its project.

On September 14, 2001, the District filed information regarding its NPDES Permit modification, revised project budget and a letter from the West Virginia Department of Environmental Protection regarding the remaining project funds and engineering services.

On September 18, 2001, Staff filed a Further Final Joint Staff Memorandum recommending approval of the project and the proposed rates and charges. Due to favorable bids, the District will have an additional \$524,600 available. Staff recommended that the District be allowed to use \$227,000 to prefund its reserve account and \$297,600 to fund engineering services, including a feasibility study and design services. Staff believes the District should be required to file a new petition for consent and approval of an engineering agreement for preliminary engineering services, with amendments for design services in compliance with West Virginia Code Chapter 56 and West Virginia Code §16-13A-25. Staff requested that the hearing scheduled to be held on September 24, 2001, be cancelled.

On September 20, 2001, the District advised the Commission that it did not object to Staff's recommendations for approval of the project. The District agreed that the hearing was no longer necessary and requested expedited treatment of its application.

By Order issued September 20, 2001, the hearing scheduled to be held on September 24, 2001, in Charleston, West Virginia, was cancelled.

Based upon the foregoing, the Administrative Law Judge is of the opinion that this matter is mature for a decision based upon the filings.

Re: Crab Orchard-MacArthur PSD
Wastewater System Upgrade Project 97S-350

Dear Mr. Milam:

The West Virginia Infrastructure and Jobs Development Council (the "Council"), at its April 5, 2000 meeting, reviewed the Crab Orchard-MacArthur Public Service District's (the "District") revised preliminary application regarding its proposed project to upgrade the wastewater treatment plant and three main pumping stations. Based on the findings of the Sewer Technical Review Committee, the Council has determined that the project is technically feasible within the guidelines of the Infrastructure and Jobs Development Act. The District should carefully review the enclosed comments of the Sewer Technical Review Committee. The District may need to address certain issues raised in said comments as it proceeds with the project.

Upon consideration of the District's revised preliminary application, the Council recommends that the District pursue a Clean Water State Revolving Fund loan of \$4,592,134 to finance the project. Please contact the West Virginia Division of Environmental Protection (DEP) at 558-0641 for specific information on the steps the District needs to follow to apply for the loan. Please note that this letter does not constitute funding approval from the DEP.

If you have any questions regarding this matter, please contact Katy Mallory at the above-referenced telephone number.

Sincerely,

James D. Williams

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Crab Orchard-MacArthur Public Service District (the "Issuer"), a public service district and public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$6,818,600 Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a bond purchase agreement, dated September 5, 2001, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2003, and maturing March 1, 2033, all as set forth in the "Schedule Y," attached to the Bond Purchase Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and

extensions to the existing public sewerage facilities of the Issuer (the "Project"); (ii) funding a reserve account for the Bonds; and (iii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on September 18, 2001, as supplemented by a Supplemental Resolution duly adopted by the Issuer on September 18, 2001 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Bond Purchase Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Bond Purchase Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.
2. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.
3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.
4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Sewer Revenue Bonds, Series 1986 B, Sewerage System Refunding Revenue Bonds, Series 1996 A, Sewerage System Revenue Bonds, Series 1997 A (West Virginia SRF Program), Sewerage System Revenue Bonds, Series 1997 B (West Virginia Infrastructure Fund) and Sewerage System Design Revenue Bonds, Series 1999 (West Virginia SRF Program) (collectively, the "First Lien Bonds"), and senior and prior with respect to liens, pledge and source of and security for payment to the Issuer's Sewer Revenue Bonds, Series 1993, all in accordance with the terms of the Bonds and the Bond Legislation. Based upon the certificate of the certified public accountant dated the date hereof, the Issuer has met the coverage requirements for issuance of parity bonds of the First Lien Bonds and the resolutions authorizing the First Lien Bonds. The Issuer has substantially complied with all other

parity requirements, except to the extent that noncompliance with any such other parity requirements is not of a material nature.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Purchase Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

We are counsel to Crab Orchard-MacArthur Public Service District, a public service district in Raleigh County, West Virginia (the "Issuer"). As such counsel, we have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a bond purchase agreement dated September 5, 2001, including all schedules and exhibits attached thereto, by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP") (the "Bond Purchase Agreement"), the Bond Resolution duly adopted by the Issuer on September 18, 2001, the Supplemental Resolution duly adopted by the Issuer on September 18, 2001 (collectively, the "Bond Legislation"), and other documents, papers, agreements, instruments and certificates relating to the above-captioned Bonds of the Issuer (the "Bonds") and orders of The County Commission of Raleigh County relating to the Issuer and the appointment of members of the Public Service Board of the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

We are of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System and to adopt the Bond Legislation, all under the Act and other applicable provisions of law.
2. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
3. The Bond Purchase Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.
4. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect.
5. The execution and delivery of the Bonds and the Bond Purchase Agreement and the consummation of the transactions contemplated by the Bonds, the Bond Purchase Agreement and the Bond Legislation, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party, and of which we are aware, or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.
6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders, certificates and approvals from The County Commission of Raleigh County, the DEP and the West Virginia Infrastructure and Jobs Development Council, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. We specifically make no representation with reference to the West Virginia Public Service Commission (WVPSC). It is our understanding that you are to receive an opinion from Special PSC Counsel to issuer with reference to the WVPSC.
7. The Issuer has duly published a notice of the acquisition and construction of the Project, the issuance of the Bonds and related matters, as required under Chapter 16, Article 13A, Section 25 of the West Virginia Code of 1931, as amended, and has duly complied with the provisions thereof.
8. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds, the Bond Purchase Agreement, the Bond Legislation, the acquisition and construction of the Project, the

operation of the System, the validity of the Bonds or the collection or pledge of the Net Revenues therefor.

9. We have ascertained that the successful bidder has made the required provisions for all insurance and payment and performance bonds and verified such insurance policies and bonds for accuracy. Based upon our review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, we are of the opinion that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Bond Purchase Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

We express no other opinions other than those expressly stated hereinabove. Without limiting the generality of the foregoing sentence, we express no opinion as to the tax, bond or securities laws of the United States or of any state thereof.

It is to be understood that the rights of the various parties to the transaction and the enforceability of the instruments and agreements may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights (to the extent constitutionally applicable), and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

This opinion is rendered only for the benefit of the addressees and may not be relied upon by other parties without our prior written consent. No attorney-client privilege is waived or intended to be waived by this opinion.

Very truly yours,

RE: Crab Orchard-MacArthur PSD—WWTP
SRF No. CF44257-02

Dear Mr. Johnson:

This firm represents the Crab Orchard-MacArthur Public Service District. At the request of the General Manager, Mr. Barry Milam, we reviewed the records in the Office of the Clerk of the County Commission of Raleigh County with reference to the property which is the subject of the above-referenced project. Mr. Milam indicated to us that the property in question was the Wastewater Treatment Plant, the forced main in Carter Addition, the forced main at Sunny Acres and the Main Lift Station, all of which are owned of record by the Crab Orchard-MacArthur Public Service District. The engineers on the project, Dunn Engineers, Inc., of Charleston, West Virginia, confirmed that the property hereinafter discussed is the property necessary for the project, including easements and rights of way sufficient to assume the undisturbed use and possession for the purpose of construction, operation and maintenance of the facilities to be constructed. We are pleased to report to you as follows:

I. The Wastewater Treatment Plant

4. Main Lift Station

The Crab Orchard-MacArthur PSD is the current owner of the property where the Main Lift Station is located and accesses to the station via the documents mentioned below:

The property where the Main Lift Station is located and access from the Orchard Coal Easement (see next paragraph) was acquired by a Deed, dated October 7, 1982, from Westmoreland Coal Company to the Crab Orchard-MacArthur PSD, of record in the aforesaid Clerk's Office in Deed Book 665, at Page 192, consisting of a 0.172 acre tract and easement, found in Town District, Tax Map 34, at Page 108.1.

The Crab Orchard-MacArthur PSD has a prescriptive easement to use the right-of-way that it has used since the early 1980's to access the Main Lift Station from WV Route 16. This right-of-way is owned by and assessed in the name of the Orchard Coal Company and consists of a 4.5 acre tract, found in Town District, Tax Map 34, at Page 106.1, and a 1.6 acre tract, found in Town District, Tax Map 400-4, at Page 143.1. The Crab Orchard-MacArthur PSD obtained a written easement from the Orchard Coal Company as part of this project. The Easement is dated the 12th day of July 2001, and is of record in the Office of the Clerk of the County Commission of Raleigh County, West Virginia, on Roll 5005, at Page 1493.

This report is subject to: (a) reservations, exceptions, easements, covenants and restrictions contained in prior deeds to the subject tracts; (b) an accurate engineering survey of said tracts; (c) the plotting of off-conveyances to determine overlaps, if any; (d) any reservations or exceptions which a visual inspection of the premises or a review of the zoning ordinance would disclose; (e) any unripened mechanic's lien rights; (f) any claim by reason of the operation of federal bankruptcy, state insolvency, or similar creditors' rights laws; and (g) the accuracy of the indices and the records in the County Clerk's, the Sheriff's and Assessor's Offices of Raleigh County, West Virginia as the same appeared on September 25, 2001, at 4:00 p.m. This opinion as it pertains to the real estate owned by the District is based upon a forty (40) year title examination.

You are further advised that Dunn Engineers, Inc. has advised me that the necessary permits as may be required by the governing authorities have been acquired for the project.

Sincerely,

RIST, HIGGINS & ASSOCIATES, P.L.L.C.

Ladies and Gentlemen:

Based upon the sewer rates and charges set forth in the Final Order of the Public Service Commission of West Virginia, entered October 2, 2001, in Case No. 01-0245-PSD-CN, and the projected operation and maintenance expenses and customer usage as furnished to us by Dunn Engineers, Inc., it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the sewerage system (the "System") of Crab Orchard-MacArthur Public Service District (the "Issuer"), will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 125% of the maximum amount required in any year for debt service on the Issuer's Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program) (the "Bonds"), to be issued in the aggregate principal amount of \$6,818,600 to the West Virginia Water Development Authority on the date hereof, and all other obligations secured by or payable from the revenues of the System, on a parity with the Bonds, including the First Lien Bonds of the Issuer as defined and described in the Bond Resolution of the Issuer adopted September 18, 2001, authorizing the Bonds. It is our further opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Bonds, are not less than 125% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of an interest on the First Lien Bonds and the Bonds. The Issuer has met the parity test requirements of the respective Bond Resolutions authorizing the issuance of the First Lien Bonds. There will usually be differences between the forecasted and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material. We have no responsibility to update this letter for events and circumstances occurring after the date of this letter.

Very truly yours,

CERTIFICATE AS TO USE OF PROCEEDS

The undersigned Chairman of the Public Service Board of Crab Orchard-MacArthur Public Service District in Raleigh County, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of \$6,818,600 Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), of the Issuer, dated October 3, 2001 (the "Bonds" or the "Series 2001 A Bonds"), hereby certify as follows:

1. I am one of the officers of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Bond Resolution duly adopted by the Issuer on September 18, 2001 (the "Bond Resolution"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on October 3, 2001, the date on which the Bonds are being physically delivered in exchange for an initial advance of \$340,930, being a portion of the principal amount of the Series 2001 A Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Resolution pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority"), the West Virginia Department of Environmental Protection (the "DEP") or the West Virginia Infrastructure and Jobs Development Council (the "Council"), as the case may be, from which the proceeds of

the Bonds are derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Series 2001 A Bonds were sold on October 3, 2001, to the Authority, pursuant to a bond purchase agreement dated October 3, 2001, by and among the Issuer, the Authority and the DEP, for an aggregate purchase price of \$6,818,600 (100% of par), at which time, the Issuer received \$340,930 from the Authority and the DEP, being the first advance of the principal amount of the Series 2001 A Bonds. No accrued interest has been or will be paid on the Series 2001 A Bonds. The balance of the principal amount of the Series 2001 A Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

6. The Series 2001 A Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewerage facilities of the Issuer (the "Project"); (ii) funding a reserve account for the Series 2001 A Bonds; and (iii) paying certain costs of issuance of the Bonds and related costs.

7. Within 30 days after the delivery of the Bonds, the Issuer shall enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Bonds on the Project, constituting a substantial binding commitment. The acquisition and construction of the Project and the allocation of the net sale proceeds of the Bonds to expenditures of the Project shall commence immediately and shall proceed with due diligence to completion, and with the exception of proceeds deposited in the Reserve Account for the Bonds, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before November 4, 2002. The acquisition and construction of the Project is expected to be completed by May 4, 2013.

8. The total cost of the Project financed from the proceeds of the Bonds described below is estimated at \$6,818,600. Sources and uses of funds for the Project are as follows:

SOURCES

13. Moneys held in the Series 2001 A Bonds Sinking Fund will be used solely to pay principal of and interest, if any, on the Series 2001 A Bonds and will not be available

17. The Issuer does not expect to sell or otherwise dispose of the Project in whole or in part prior to the last maturity date of the Bonds.

18. The amount designated as costs of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

19. All property financed with the proceeds of the Bonds will be owned and held by (or on behalf of) a qualified governmental unit.

20. No proceeds of the Bonds will be used, directly or indirectly, in any trade or business carried on by any person who is not a governmental unit.

21. The original proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue.

22. The Issuer shall use the Bond proceeds solely for the costs of the Project, and the Project will be operated solely for a public purpose as a local governmental activity of the Issuer.

23. The Bonds are not federally guaranteed.

24. The Issuer has retained the right to amend the Bond Resolution authorizing the issuance of the Bonds if such amendment is necessary to assure that the Bonds remain governmental bonds.

25. The Issuer has either (a) funded the Series 2001 A Bonds Reserve Account at the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year with the proceeds of the Bonds, or (b) created the Series 2001 A Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10-year period until such Series 2001 A Bonds Reserve Account holds an amount equal to the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year. Moneys in the Series 2001 A Bonds Reserve Account and the Series 2001 A Bonds Sinking Fund will be used solely to pay principal of and interest on the Bonds and will not be available to pay costs of the Project.

26. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with the Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds.

27. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

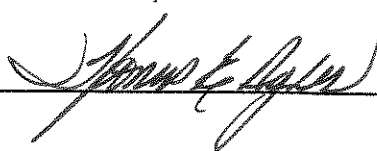

28. The Issuer will comply with instructions as may be provided by the Authority, at any time, regarding use and investment of proceeds of the Bonds, rebates and rebate calculations.

29. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

WITNESS my signature on this 3rd day of October, 2001.

I, BETTY RIFFE, Clerk of the County Commission of Raleigh County, West Virginia, hereby certify that the foregoing is a true copy from the records of my office.

In Testimony Whereof, I hereunto place my hand and affix my seal of said Commission this the 4th day of June, 1997

BETTY RIFFE, Clerk

By Sue Tate, Deputy

IN RE: CREATION OF THE PROPOSED CRAB ORCHARD-MACARTHUR
PUBLIC SERVICE DISTRICT.

This being the date fixed by prior action of the County Court for conducting the public hearing on the creation of the proposed Crab Orchard-MacArthur Public Service District, as contemplated and provided for in an order heretofore passed by this Court on the 11th day of October, 1962, the President announced that all persons residing in, or owning, or having any interest in property in such proposed public service district desiring to be heard for or against the creation would be heard, and all such interested persons desiring to be heard were given full opportunity. Among those present at the meeting were Mr. G. O. Fortney, Chief Engineer with the State Health Department, W. Beverly Hume, County Sanitarian, Raleigh County, Dennis M. Leary, Jr., Engineer, W. H. File, Jr., Attorney, and several residents and property owners from the proposed district. Mr. Fortney said his department was "very happy" to see the people take it upon themselves to rid their communities of health hazards such as inadequate sewers.

The County Court, having further discussed and considered the feasibility of the creation of the proposed district, is of the opinion that in the public interest, the said district should be created.

Thereupon, H. G. Farmer, Commissioner, moved the passage of the following resolution and order, which motion was duly seconded by John C. Ward, President, in the absence of A. J. Lilly, Commissioner, and passed unanimously by said Court:

WHEREAS, the County Court of Raleigh County, West Virginia, did heretofore, by an order passed on the 11th day of October, 1962, fix a date for a public hearing on the creation of the proposed Crab Orchard-MacArthur Public Service District, and in and by said order, provide that all persons residing in or owning, or having any interest in property in the proposed public service district might appear before the County Court at this meeting and have the opportunity to be heard for and against the creation of said district: and

WHEREAS, notice of this hearing was duly given in the manner provided and required by said order and by Article 13a of Chapter 16 of the Code of West Virginia, and all interested persons have been afforded an opportunity of being heard for and against the creation of said district, but no written protest has been filed by the requisite number of qualified voters registered and residing within said proposed public service district, and said County Court has given due consideration to all matters for which such hearing was offered; and

WHEREAS, it is now deemed desirable by said County Court to adopt a resolution and order creating said district;

NOW, THEREFORE, Be It Resolved and Ordered by the County Court of Raleigh County, West Virginia, as follows:

Section 1. That a public service district within Raleigh County, West Virginia, is hereby created, and such district shall have the following described boundaries:

southeasterly direction .4 mile to the common corner of the City of Beckley and the Town of Mabscott, said corner being at the intersection of West Virginia State Route 3/21; thence continuing in a general southeasterly direction approximately 3/4 mile and with the westernmost corporate line of the Town of Mabscott and West Virginia State Route 3/21 to its intersection of West Virginia State R 3/18; thence with the corporate line of the Town of Mabscott approximately 1 mile and with West Virginia State Route 3/18 to its point of intersection with the north westernmost corner of the Shady Spring Public Service District #1; thence continuing in a general southeasterly direction and with the western boundary of the Shady Spring Public Service District #1 approximately 4 1/2 miles to the point of beginning.

distance of 6,655 feet to a point of latitude and longitude N 37° 43' 15", W 81° 13' 37", the place of beginning, and containing approximately 457 acres or 0.71 square miles.

4. The Crab Orchard-MacArthur Public Service District boundaries currently adjoin those described in Paragraph 3, above.

5. The Crab Orchard-MacArthur Public Service District proposes to extend its lines so as to provide sewage service to the residents of the portion of the County described in Paragraph 3, above, which is more feasible at this time than extending service from the Raleigh County Public Service District.

6. Both the Raleigh County Public Service District and the Crab Orchard-MacArthur Public Service District agree that the transfer of the portion of the County described in Paragraph 3, above, from the control of the Raleigh County Public Service District to the Crab Orchard-MacArthur Public Service District is in the public interest and desirable to all parties concerned.

7. The Raleigh County Public Service District proposes reducing its boundaries by transferring that portion of the county described in Paragraph 3, above, from the control of the Raleigh County Public Service District to the Crab Orchard-MacArthur Public Service District.

WHEREFORE, the Raleigh County Public Service District and the Crab Orchard-MacArthur Public Service District, Petitioners herein, pray that the Commission enter an Order allowing the Raleigh County Public Service District to abandon its authority over that portion of the County described in Paragraph 3, above, and grant authority for the regulation of said area to the Crab Orchard-MacArthur Public Service District for those matters described in Title 16, Article 13A, §1, *et seq.*, of the West Virginia Code. The Parties further pray that the Commission schedule a public hearing with respect to this matter.

SEMI MONTHLY MEETING
JANUARY 9, 2001

Present: Arlie Porter, Chairman; Zeno Sparks, Sec-Tr; Thomas Ayres, Board Member; Barry Milam, General Manager; Karen Kincaid, Office Manager.

Mr. Porter opened the meeting in the best interest of the Crab Orchard - MacArthur Public Service District.

Mr. Sparks made a motion to dispense with the reading of the last meeting's minutes. Motion seconded by Mr. Ayres. Motion made and carried to dispense with the reading of the last meeting's minutes. The vote was three in favor of the motion.

Visitors: Doug Schmidt, Dunn Engineers; Dave Burchett, Customer.

Karen informed the Board regarding a mistake on a customer's account. She explained the District has two reading rates, one read in hundredths and the other in thousandths. She said Ferrous Equipment's usage should have been read in hundredths instead of thousandths. She said the District credited the account \$635.96, and reviewing the account's history it would take over four years to pay the amount off. She said the owner, Mr. Burchett, would like to request this amount refunded back to him. Mr. Porter said he understands the owner's concern, but the policy of the District states if there is an overpayment, the account will be credited and there shall not be any refund given to the customer unless the customer moves from the District's area. After much discussion with the Board and Mr. Burchett, Mr. Ayres made a motion to refund Mr. Burchett his money that he overpaid due to the fact of a mistake the District made in billing and for the Board to amend the policy that is in place. Mr. Ayres said it should read that if office personnel are responsible for over billing then the District should refund the money. Motion seconded by Mr. Sparks. Motion made and carried to refund Mr. Burchett his money that he overpaid due to the fact of a mistake the District made and to amend the policy that is in place to read if the office personnel is responsible for over billing then the District should refund the money to the customer. The vote was three in favor of the motion. Mr. Porter said until the policy has been amended the customer should not be refunded his money. Mr. Sparks asked Mr. Burchett if he would give the District a few days to amend the policy before refunding the money. Mr. Burchett understood and thanked the Board.

Mr. Porter made a motion to appoint Zeno Sparks as Secretary-Treasurer of the Board of Directors. Motion seconded by Mr. Ayres. Motion made and carried to appoint Zeno Sparks as Secretary-Treasurer of the Board of Directors. The vote was three in favor of the motion.

Mr. Porter made a motion to appoint Thomas E. Ayres as Chairman of the Board of Directors. Motion seconded by Mr. Sparks. Motion made and carried to appoint Thomas E. Ayres as Chairman of the Board of Directors. The vote was three in favor of the motion.

Mr. Schmidt said he expects approval from DEP probably at the end of January on the plans for the upgrade project. He said when the accountant is through with the Rule 42, Susan Riggs will take the approved plans and Rule 42 and write the petition that has a thirty day pre-filing. Mr. Schmidt said after the thirty day pre-filing, Susan will request a conversion of the petition to a certificate case.

Mr. Milam said Larry Robertson informed him that Slab Fork has a problem with their water and would like to know how much it would cost on upgrading the plant in Slab Fork including installing sewer service. The Board agreed for Mr. Milam to put the numbers together for what Mr. Robertson requests and look into it further at a later time.

Mr. Sparks made a motion to accept the holidays for the year 2001 and trade Lincoln's birthday for the day after Thanksgiving. Motion seconded by Mr. Ayres. Motion made and carried to accept the holidays for the year 2001 including trading Lincoln's birthday for the day after Thanksgiving.

FOR MUNICIPAL BOND COMMISSION USE ONLY:

DOCUMENTS REQUIRED: _____
TRANSFERS REQUIRED: _____

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.

RESOLUTION

RESOLUTION AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF PUBLIC SEWERAGE FACILITIES OF CRAB ORCHARD - MacARTHUR PUBLIC SERVICE DISTRICT AND THE FINANCING OF THE COST, NOT OTHERWISE PROVIDED, THEREOF THROUGH THE ISSUANCE BY THE DISTRICT OF NOT MORE THAN \$4,000,000 IN AGGREGATE PRINCIPAL AMOUNT OF SEWER REVENUE BONDS, SERIES 1986 A AND NOT MORE THAN \$300,000 IN AGGREGATE PRINCIPAL AMOUNT OF SEWER REVENUE BONDS, SERIES 1986 B, PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING THE SALE AND PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF CRAB ORCHARD - MacARTHUR PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any orders or resolutions supplemental hereto, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Crab Orchard - MacArthur Public Service District (the "Issuer") is a public service district and public corporation of the State of West Virginia in Raleigh County of said State.

B. The Issuer has undertaken the acquisition and construction of public sewage treatment and collection facilities (the "Project") which constitute properties for the collection of

liquid or solid wastes, sewage or industrial wastes (the Project, and any additions thereto or extensions thereof is herein called the "System") at an estimated cost of \$18,478,702, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Secretary of the Issuer.

C. The Issuer has heretofore issued its Sewerage System Refunding and Construction Notes, Series 1983, dated December 1, 1983 (the "Notes"), in the aggregate principal amount of \$7,620,000 pursuant to a bond and notes resolution adopted November 9, 1983, a supplemental resolution adopted November 9, 1983, and a second supplemental resolution adopted December 2, 1983 (collectively, the "Prior Resolution"), to finance costs of construction and acquisition of the Project pending receipt of certain grant moneys and issuance of the within-described Bonds. The Issuer has encountered construction difficulties with respect to the Project and has not received certain EPA Grant proceeds as quickly as anticipated which requires that the Issuer borrow the sum of not to exceed \$4,300,000 to finance a portion of the Issuer's local share of the Costs of the Project, in addition to the amount necessary to pay a portion of the principal of the Notes.

D. The estimated revenues to be derived in each year after the enactment hereof from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Bonds (as hereinafter defined) and all Sinking Fund, Reserve Account and other payments provided for herein.

E. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of not more than \$4,300,000 in two series, being the Series 1986 A Bonds in the aggregate principal amount of not more than \$4,000,000 and the Series 1986 B Bonds in the aggregate principal amount of not more than \$300,000 (collectively, the "Bonds"), to pay, at the maturity thereof, a portion of the Notes representing the "local share" of the Issuer of the Costs, additional Costs not otherwise provided for and costs of issuance of the Bonds. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Notes and the Bonds prior to and during construction or acquisition and for 6 months after completion of construction of the Project; engineering, and legal expenses; expenses for estimates of cost and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with

the sale of the Bonds and such other expenses as may be necessary or incident to the financing herein authorized, the construction or acquisition of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. It is in the best interests of the Issuer that its Original Bonds (as hereinafter defined) be sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a loan agreement dated May 22, 1983, a loan agreement dated May 29, 1986, and a supplemental loan agreement dated May 29, 1986 (collectively, the "Loan Agreement") to be entered into between the Issuer and the Authority, in form satisfactory to the Issuer and the Authority.

H. There are not outstanding any obligations of the Issuer which will rank prior to or on a parity with the Bonds as to lien and source of and security for payment. The Series 1986 B Bonds shall be junior and subordinate to the Series 1986 A Bonds, as set forth herein.

I. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a Certificate of Convenience and Necessity and approval of this financing and necessary user rates and charges from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Bonds by those who shall be the registered owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the registered owners of any and all of such Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series by reason of

All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiency in the Series 1986 A Bonds Reserve Account [except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required by Subsection 5.03(A)(4)] shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

(6) The Issuer shall next, on the first day of each month, commencing 13 months prior to the first date of payment of principal on the Series 1986 B Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1986 B Bonds Sinking Fund, a sum equal to $\frac{1}{12}$ th of the amount of principal which will mature and become due on said Series 1986 B Bonds on the next ensuing principal payment date, less any earnings transferred from the Series 1986 B Bonds Reserve Account for the purpose of making principal payments and investment earnings on sums previously deposited in the Series 1986 B Bonds Sinking Fund for the purpose of making principal payments on the Series 1986 B Bonds.

(7) The Issuer shall next, on the first day of each month, commencing 13 months prior to the first date of payment of principal of the Series 1986 B Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1986 B Bonds Reserve Account, an amount equal to $\frac{1}{120}$ of the Series 1986 B Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 1986 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1986 B Bonds Reserve Requirement.

Moneys in the Series 1986 A Bonds Sinking Fund and the Series 1986 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the respective series of Bonds as the same shall become due. Moneys in the Series 1986 A Bonds Reserve Account and the Series 1986 B Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the respective series of Bonds, as the same shall come due, when other moneys in the attendant Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 1986 A Bonds Reserve Account and the Series 1986 B Bonds Reserve Account shall be transferred, not less than once each year, to the respective Sinking Fund and applied in full to the next ensuing principal payment due on the respective Series of Bonds.

Any withdrawals from the Series 1986 A Bonds Reserve Account which result in a reduction in the balance of the Series 1986 A Bonds Reserve Account to below the Series 1986 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments to the Series 1986 A Bonds Sinking Fund for payment of debt service on the Bonds have been made in full.

Any withdrawals from the Series 1986 B Bonds Reserve Account which result in a reduction in the balance of the Series 1986 B Bonds Reserve Account to below the Series 1986 B Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments to the Series 1986 A and Series 1986 B Bonds Sinking Funds and the Renewal and Replacement Fund have been made in full.

As and when additional Bonds ranking on a parity with the Original Bonds are issued, provision shall be made for additional payments into the respective Sinking Funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective Reserve Accounts in an amount equal to the maximum provided and required to be paid into the respective Sinking Funds in any Fiscal Year for account of all the Original Bonds of such series, including such additional Original Bonds which by their terms are payable from such Sinking Fund.

The Issuer shall not be required to make any further payments into the several Sinking Funds or into the Reserve Accounts therein when the aggregate amount of funds in all such Sinking Funds and said Reserve Accounts are at least equal to the aggregate principal amount of and interest due to maturity on the respective Bonds then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created hereunder, and all amounts required for said Sinking Funds shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

The payments into the Sinking Funds shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

Moneys in the Reserve Accounts shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Sinking Funds, including the Reserve Accounts therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the respective Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into the Sinking Funds, including the Reserve Accounts therein, and the Renewal and Replacement Fund during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System, including, but not limited to, payment to the Trustee for deposit in the Notes Debt Service Fund, as defined in the Indenture.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Paying Agent or the Depository Bank, on such dates as the Commission, the Paying Agent or the Depository Bank, as the

case may be, shall require, such additional sums as shall be necessary to pay the Depository Bank's charges and the Paying Agent fees then due.

D. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates.

F. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

H. All Tap Fees shall be deposited by the Issuer, as received, in the Bond Construction Trust Fund, and, following completion of the Project shall be deposited in the Revenue Fund and may be used for any lawful purpose.

ARTICLE VI

BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of any or all of the Original Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. The amount of the proceeds, if any, which together with the proceeds deposited pursuant to Subsection (A) of this section and together with the earnings thereon, shall be at least sufficient to pay interest, if any, on the applicable Series of Bonds for the period specified in the Supplemental Resolution shall be deposited in the appropriate Sinking Fund; provided, that such period may not extend beyond the date which is 6 months after the estimated date of completion of construction of the Project.

B. The amount of proceeds, which together with other moneys in the Notes Debt Service Fund established pursuant to the Indenture, is sufficient to pay the entire principal amount of and interest accrued on the Notes at the maturity thereof shall next be deposited with the Trustee in said Notes Debt Service Fund.

C. The remaining moneys derived from the sale of the Bonds shall be deposited with the Depository Bank in the Bond Construction Trust Fund and applied solely to payment of Costs of the Project in the manner set forth in Section 6.02.

D. The Depository Bank shall act as a trustee and fiduciary for the Bondholders with respect to the Bond Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Bond Construction Trust Fund set forth in the Bond Legislation. Moneys in the Bond Construction Trust Fund shall be used solely to pay Costs of the Project and until so expended, are hereby pledged as additional security for the Bonds.

Section 6.02. Disbursements From the Bond Construction Trust Fund. Payments for Costs of the Project shall be made monthly.

Disbursements from the Bond Construction Trust Fund, except for the costs of issuance thereof which shall be made upon request of the Issuer, shall be made only after submission to the Depository Bank of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Bond Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Bond Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Bond Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Bond Construction Trust Fund, including any accounts therein, shall be invested and reinvested in qualified investments at the direction of the Issuer.

After completion of the Project, as certified by the Consulting Engineers, the Depository Bank shall transfer any moneys remaining in the Bond Construction Trust Fund to the Series A Bonds Reserve Account.

ARTICLE VII

COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Bonds or the interest thereon.

Section 7.03. Bonds Secured by Plledge of Net Revenues. The payment of the debt service of the Series 1986 A Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System and payment of the debt service of the Series 1986 B Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on said Net Revenues, but such lien shall be junior and subordinate to the lien on said Net Revenues in favor of the Holders of the Series 1986 A Bonds, to the extent necessary to make the payments required under Section 5.03 of this Resolution. The revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bonds and to make the payments into the attendant Sinking Funds, including the Reserve Accounts therein, and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided therein, to the payment of the principal of and interest on the Bonds as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the Order of the

Public Service Commission of West Virginia entered October 14, 1983
(Case No. 83-418-S-CN).

Section 7.05. Sale of the System. The System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Resolution in accordance with Section 10.01 hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds established therefor, and, in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Bonds about to mature. Any balance remaining after the payment of all the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of \$10,000 and not in excess of \$50,000, shall, with the written consent of the Authority, be remitted by the Issuer to the Commission for deposit in the Sinking Fund and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at

prices not greater than the par value thereof plus 3% of such par value or otherwise, shall be deposited in the Renewal and Replacement Fund. Such payment of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all the Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds then Outstanding and the Consulting Engineers. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. So long as any of the Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds; provided, however, that additional Bonds on a parity with the Series 1986 B Bonds only may be issued as provided for in Section 7.07 hereof. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to both the Series 1986 A Bonds and the Series 1986 B Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into the Reserve Accounts and the Renewal and Replacement Fund at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

Section 7.07. Parity Bonds. A. No Parity Bonds, payable out of the revenues of the System, shall be issued after the

issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

No Parity Bonds shall be issued which shall be payable out of the revenues of the System prior to or on a parity with the Series 1986 A Bonds. All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1986 B Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding one or more series of Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (A) The Bonds then Outstanding;
- (B) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding;
- (C) The Parity Bonds then proposed to be issued; and
- (D) Any other obligations secured by or payable from the Net Revenues prior to the Series B Bonds.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates enacted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate

of the Consulting Engineers, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such additions, betterments or improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All such Parity Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Parity Bond of one series over any other Parity Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

All Parity Bonds shall mature on the day of the years of maturities, and the semiannual interest thereon shall be payable on the days of each year, specified in a Supplemental Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 1986 A Bonds and the Series 1986 B Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and

source of and security for payment from such revenues, with either the Series 1986 A Bonds or the Series 1986 B Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

B. Notwithstanding the foregoing, or any provision of Section 7.06 to the contrary, additional Bonds respectively on parity with the Series A Bonds and the Series B Bonds may be issued solely for the purpose of completing the Project as described in the application to the Authority submitted on the date of the Loan Agreement without regard to the restrictions set forth in this Section 7.07.

Section 7.08. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Consulting Engineers, the Trustee and the Authority, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

A. A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

B. A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation with respect to said Bonds and the status of all said funds and accounts.

C. The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall file said report with the Authority, or any other original purchaser of the Bonds.

Section 7.09. Rates. Prior to the issuance of the Bonds, equitable rates or charges for the use of and service rendered by the System will be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. The Issuer shall take the necessary actions with respect to the imposition of rates at such times and with such provisions with respect to interest rate and maturity of the Bonds to finance the issuance of the Bonds as the purchasers thereof shall require. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other Gross Revenues, (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each Fiscal Year equal to at least 115% of the maximum amount required in any Fiscal Year for payment of principal of and interest on the Bonds and all other obligations secured by or payable from such revenues prior to or on a parity with the Bonds; provided that, in the event that amounts equal to or in excess of the Reserve Requirements are on deposit in the respective Reserve Accounts and reserve accounts for obligations prior to or on a parity with the Bonds are funded at least at the requirement therefor, such balance each Fiscal Year need only equal at least 110% of the maximum amount required in any Fiscal Year for payment of principal of and interest on the Bonds and all other

obligations secured by or payable from such revenues prior to or on a parity with the Bonds.

Section 7.10. Operating Budget and Audit. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which funding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder.

In addition, the Issuer shall annually cause the records of the System to be audited by an independent certified public accountant, the report of which audit shall be submitted to the Authority and which audit report shall include a statement that the Issuer is in compliance with the terms and provisions of this Bond Legislation and the Loan Agreement.

Section 7.11. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to

the full extent permitted or authorized by the Act, the rules of the Issuer, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and any services and facilities of either system, if then owned by the Issuer, to all delinquent users of services and facilities of the System and will not restore such services of either system until all billing for charges for the services and facilities of the System, plus reasonable interest penalty charges for the restoration of service, has been fully paid.

Section 7.13. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.14. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as any of the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(A) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE,, on all above-ground insurable portions of the System in an amount equal to the

actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(B) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$100,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(C) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

B. The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project.

Section 7.15. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where

sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30 day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.16. Completion of Project. The Issuer will complete the Project and operate and maintain the System in good condition.

Section 7.17. Statutory Mortgage Lien. For the further protection of the Holders of the Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Bonds and shall be for the equal benefit of all Holders of each respective series of Bonds, provided however, that the statutory mortgage lien in favor of the Holders of the Series 1986 A Bonds shall be senior to the statutory mortgage lien in favor of the Holders of the Series 1986 B Bonds.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation or the Indenture, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held (except for transfers permitted hereunder), and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount. The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

Section 8.02. Restrictions as to Arbitrage Bonds. The Issuer hereby covenants, and hereby so instructs the Bond Commission and the Trustee that they shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Bond to be an "arbitrage bond" as defined in Section 103(c)(2) of the Internal Revenue Code (or any successor provision), and an Authorized Officer shall deliver his certificate, based upon this covenant, with regard thereto to the purchaser of the Original Bonds.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. A. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bonds; or

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Bonds set forth in this Bond Legislation, any supplemental resolution, or in the Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Paying Agent, Depository Bank, any other bank or banking association holding any fund or account hereunder or a Holder of a Bond; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners, provided however, that all rights and remedies of the Holders of the Series 1986 B Bonds shall be subject to those of the Holders of the Series 1986 A Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act.

including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the

Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

All Series 1986 B Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Commission or its agent, either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with other moneys, if any, deposited with the Commission at the same time, shall be sufficient to pay when due the principal installments of and interest due and to become due on said Series 1986 B Bonds on and prior to the maturity dates thereof. Neither securities nor moneys deposited with the Commission pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal installments of said Series 1986 B Bonds; provided, that any cash received from such principal or interest payments on such securities deposited with the Commission or its agent, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal installments of and interest to become due on said Bonds on and prior to the maturity dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Commission or its agent, free and clear of any trust, lien or pledge. CRAB ORCHARD-MacARTHUR PUBLIC SERVICE DISTRICT

RESOLUTION AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF EXTENSIONS AND IMPROVEMENTS FOR THE EXISTING PUBLIC SEWERAGE FACILITIES OF CRAB ORCHARD-MacARTHUR PUBLIC SERVICE DISTRICT AND THE FINANCING OF THE COST, NOT OTHERWISE PROVIDED, THEREOF THROUGH THE ISSUANCE BY THE DISTRICT OF NOT MORE THAN \$90,000 IN AGGREGATE PRINCIPAL AMOUNT OF SEWER REVENUE BONDS, SERIES 1993; PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE HOLDERS OF SUCH BONDS; AUTHORIZING THE SALE AND PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF CRAB ORCHARD-MacARTHUR PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any orders or resolutions supplemental hereto, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Crab Orchard-MacArthur Public Service District (the "Issuer") is a public service district and public corporation of the State of West Virginia in Raleigh County of said State.

B. The Issuer now owns and operates a public sewage treatment and collection system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain extensions and improvements for such existing sewerage facilities of the Issuer, consisting of upgrading the George Street lift station by installing two 140-gallon per minute pumps, a control panel, three-phase power, and an emergency stand-by power generator, together with all appurtenant facilities (the "Project"), which constitute properties for the collection of liquid or solid wastes, sewage or industrial wastes (the existing sewerage facilities, the Project, and any further additions, improvements and

betterments thereto or extensions thereof are herein called the "System") at an estimated cost of \$90,000, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Secretary of the Issuer.

C. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds, Series 1993, in the total aggregate principal amount of not more than \$90,000, to finance (i) the costs of acquisition and construction of the Project and (ii) certain costs of issuance hereof and related costs.

D. The period of usefulness of the System after completion of the Project is not less than 10 years.

E. It is in the best interests of the Issuer that its Bonds (as hereinafter defined) be sold to the Purchaser (as hereinafter defined) pursuant to the terms and provisions of the commitment letter of the Purchaser dated April 13, 1992, together with all amendments.

F. There are outstanding obligations of the Issuer which will rank senior and prior to the Bonds as to lien, pledge and source of and security for payment, being the Sewer Revenue Bonds, Series 1986 A, issued in the original aggregate principal amount of \$3,685,177, dated May 29, 1986 (the "Series 1986 A Bonds") and the Sewer Revenue Bonds, Series 1986 B, issued in the original aggregate principal amount of \$161,688, dated May 29, 1986 (the "Series 1986 B Bonds"), and both held by West Virginia Water Development Authority. The Series 1986 A Bonds and the Series 1986 B Bonds are hereinafter collectively referred to as the "Prior Bonds."

The Issuer is not in default under the terms of the Prior Bonds or any resolution or document in connection therewith.

G. The Issuer has complied with all requirements of West Virginia law relating to authorization of the acquisition and construction of the Project, the operation of the System and the issuance of the Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a Certificate of Convenience and Necessity and approval of this financing and necessary user rates and charges from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Bonds by those who shall be the Registered Owner of the same from time to time, this Bond Legislation

shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owner, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owner of the Bonds.

Section 1.04. Definitions. The following terms shall have the following meanings herein unless the context expressly requires otherwise:

"Act" means Chapter 16, Article 13A of the West Virginia Code of 1931, as amended and in effect on the date of adoption hereof.

"Authorized Officer" means the Chairman of the Governing Body of the Issuer or any temporary Chairman duly appointed by the Governing Body.

For the purposes of paying costs of the Project not otherwise provided for and paying certain costs of issuance and related costs, there shall be and hereby are authorized to be issued the Sewer Revenue Bonds, Series 1993, of the Issuer, in an aggregate principal amount of not more than \$90,000.

Section 3.02. Terms of Bonds. The Bonds shall be issued in single form, No. R-1, and only as a fully registered Bond. The Bonds shall be dated such date; shall bear interest at such rate or rates, not exceeding the then legally permissible limit on such dates; shall mature on such dates and in such amounts; and shall be subject to such repayment or redemption, all as the Issuer shall prescribe in a Supplemental Resolution. The Bonds shall be payable as to principal and interest at the office of the Paying Agent in any coin or currency which, on the dates of payment is legal tender for the payment of public or private debts under the laws of the United States of America.

Interest shall accrue on the Bonds only on the amount of each advance from the actual date thereof as listed on said Record of Advances.

Section 3.03. Execution of Bonds. The Bonds shall be executed in the name of the Issuer by the Chairman, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Bonds remain outstanding, the Issuer, through the Bond Registrar, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 1993 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Surplus Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 1993 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 1993 Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Surplus Revenues; Lien Positions of Bonds. DEFEASANCE

Section 6.01. Defeasance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Series 1993 Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then this Bond Legislation and the pledge of Surplus Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 1993 Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 1993 Bonds from gross income for federal income tax purposes.

The Series 1993 Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the principal installments of and interest on such Series 1993 Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. The Series 1993 Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Paying Agent, either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with other moneys, if any, deposited with the Paying Agent at the same time, shall be sufficient to pay when due the principal installments of and interest due and to become due on said Series 1993 Bonds on and prior to the maturity dates thereof. Neither securities nor moneys deposited with the Paying Agent pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal installments of and interest on said Series 1993 Bonds; provided, that any cash received from such principal or interest payments on such securities deposited with the Paying Agent, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal installments of and interest to become due on said Bonds on and prior to the maturity dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Paying Agent, free and clear of any trust,

lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

WHEREAS, the Bond Resolution provides for the issuance of Sewer Revenue Bonds, Series 1993, of the Issuer (the "Bonds" or the "Series 1993 Bonds"), in an aggregate principal amount of not more than \$90,000, all in accordance with Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"); and in the Bond Resolution, it is provided that the date, the maturity date, interest rates and other terms of the Bonds should be established by a supplemental resolution pertaining to the Bonds; and that other matters relating to the Bonds be herein provided for;

WHEREAS, the Bonds are proposed to be purchased by United National Bank-South, Beckley, West Virginia (the "Purchaser" or the "Bank"), pursuant to a commitment letter dated April 13, 1992, together with all amendments; and

WHEREAS, the Governing Body deems it essential and desirable that this supplemental resolution (the "Supplemental Resolution") be adopted and that the date, the maturity date, the interest rates and other terms of the Bonds be fixed hereby in the manner stated herein, and that other matters relating to the Bonds be herein provided for;

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF CRAB ORCHARD-MacARTHUR PUBLIC SERVICE DISTRICT:

Section 1. Pursuant to the Bond Resolution and the Act, this Supplemental Resolution is adopted and there are hereby authorized and ordered to be issued the Sewer Revenue Bonds, Series 1993, of the Issuer, originally represented by a single Bond, numbered R-1, in the principal amount of \$90,000, or such lesser amount as shall have been advanced, as set forth in the Record of Advances attached to the Bond. The Series 1993 Bonds shall be dated April 29, 1993, shall mature on August 29, 2003, and shall bear interest as follows:

A. Interest on advances from the date thereof to and including the maturity or earlier prepayment hereof, shall be payable at the rate of 6% per annum for the first 64 months from the date hereof, and thereafter at a rate equal to 80% of the highest prime rate as published in the Wall Street Journal in a column entitled "Money Rates" or its successor (the "Prime Rate"), adjusted on the first day of each calendar quarter, with a minimum rate of 6% and a maximum rate of 8% per annum, for the remaining 60 months (hereinafter sometimes called the "Tax-Exempt Rate"). Interest shall be computed on the basis of a year of 360 days, and the actual number of days in a month (actual number of days divided by 360) payable for the actual number of days elapsed during any portion of a month.

B. Notwithstanding any other provision herein, in the event the interest on this Bond is declared to be includible in gross income for federal income tax purposes by the Internal Revenue Service ("Determination of Taxability"), the rate of interest on this Bond shall be equal to 11.5% per annum (hereinafter sometimes called the "Taxable Rate"). Interest at the Taxable Rate shall commence to accrue on the

date of Determination of Taxability and such interest rate shall be charged retroactively and prospectively for all periods in which interest paid on this Bond is asserted, declared or determined to be includible in gross income for federal income tax purposes, and shall continue until the entire principal of and interest on this Bond are paid, notwithstanding that the entire principal amount of this Bond may have been paid in full prior to the Determination of Taxability. Any interest being past due on this Bond by reason of such increase shall become immediately due and payable.

C. The Bonds shall be payable in 124 monthly installments, commencing May 29, 1993, and continuing on the 29th day of each month thereafter, to and including August 29, 2003. The first 4 monthly installments shall consist of interest only. The remaining 120 monthly installments shall consist of principal and interest.

D. All payments received by the Paying Agent on account of the Bonds shall be applied first to payment of interest accrued on the Bonds and next to payment of principal of the Bonds. If not sooner paid, the entire principal amount of this Bond unpaid on August 29, 2003, together with all accrued interest and any other sums due and owing upon this Bond, shall be due and payable on such date.

Section 2. All other provisions relating to the Bonds and the text of the Bonds shall be in substantially the form provided in the Bond Resolution.

Section 3. The Bonds shall be sold to United National Bank-South, Beckley, West Virginia, and shall be registered in the name of such bank. The price of the Bonds shall be 100% of par value, there being no interest accrued thereon.

Section 4. The Issuer does hereby appoint and designate United National Bank-South, Beckley, West Virginia, as the Depository Bank, the Registrar and the Paying Agent for the Bonds.

Section 5. The Issuer hereby designates the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.

Section 6. The Chairman and Secretary are hereby authorized and directed to execute and deliver the Bonds and such other documents and certificates required or desirable in connection

with the Bonds hereby and by the Bond Resolution approved and provided for, to the end that the Bonds may be delivered to the Purchaser on or about April 29, 1993.

Section 7. The financing of the Project with proceeds of the Bonds is in the public interest, serves a public purpose of the Issuer and will promote the health, welfare and safety of the residents of the Issuer.

Section 8. The Issuer shall initially request an advance in the amount of \$18,000 for the purposes of paying a portion of the costs of the acquisition and construction of the Project and certain costs of issuance hereof and related costs. Future advances of the principal of the Bonds shall be made only upon the adoption of a resolution of the Issuer authorizing each such advance and such resolution is to be presented to the Bank.

Section 9. This Supplemental Resolution shall be effective immediately following adoption hereof.

Adopted this 29th day of April, 1993.

33
34
35 ARTICLE I

36 STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

37 SECTION 1.01. AUTHORITY OF THIS RESOLUTION.

38 This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A, of the
39 Code of West Virginia, 1931, as amended (the "Act"), and other applicable provisions of law.

40
41 SECTION 1.02. FINDINGS.

42 It is hereby found, determined and declared as follows:

1
2 A. The Crab Orchard - MacArthur Public Service District, West Virginia (the "District"),
3 now owns a sewer system (the "System"), within and without the limits of the District, consisting
4 of a sewage treatment plant or plants and its collecting, intercepting and outlet sewers, lateral
5 sewers, drains, force mains, conduits, pumping stations and ejector stations and all other
6 appurtenances, extensions, improvements and betterments necessary, appropriate, useful,
7 convenient or incidental for the collection, treatment and disposal in a sanitary manner of
8 sanitary sewage and industrial wastes.
9

10 B. In accordance with Section 3 of the Act, the System is under the supervision and
11 control of the Board of Commissioners of the District (the "Board of Commissioners").
12

13 C. The acquisition and construction of the System were financed in part by the proceeds
14 of prior bond and note issues of the District, including \$3,685,177 Sewer Revenue Bonds, Series
15 1986 A (the "1986 Series A Bonds"), which are secured by a first lien on the net revenues of the
16 System, and \$161,688 Sewer Revenue Bonds, Series 1986 B (the "1986 Series B Bonds"), which
17 are secured by a second and junior lien on the net revenues of the System.
18

19 D. The 1986 Series A Bonds are currently outstanding in the aggregate principal amount
20 of \$3,553,445, and the 1986 Series B Bonds are currently outstanding in the aggregate principal
21 amount of \$124,375.
22

23 E. The District derives revenues from the System, and, except for the pledges thereof to
24 secure and pay the 1986 Series A Bonds and the 1986 Series B Bonds, said revenues are not
25 pledged or encumbered in any manner.
26

27 F. The District may now refund the 1986 Series A Bonds at a savings to the District and,
28 therefore, such refunding is in the best interests of the District.
29

30 G. The 1986 Series A Bonds will be refunded with a portion of the proceeds of the Series
31 1996 A Bonds, together with funds of the District made available by the refunding of the 1986
32 Series A Bonds, and a portion of the proceeds of the Series 1996 A Bonds, not exceeding
33 \$100,000, will be used to fund a facilities plan and pay for certain improvements and betterments
34 to the System.
35

36 H. After the issuance of the Series 1996 A Bonds, the 1986 Series B Bonds and the
37 Series 1996 A Bonds will be secured by a shared first lien on the net revenues of the System.
38

39 I. The estimated revenues to be derived in each year after the enactment of this
40 Resolution from the operation of said System will be sufficient to pay all the costs of the
41 operation and maintenance of said System, the principal of, interest on, and any other charges
42 required to be paid in connection with the 1986 Series B Bonds, the principal of and interest on the
43 Bonds authorized to be issued pursuant to this Resolution and all sinking fund, reserve account
44 and other payments provided for in this Resolution.
45

1 J. The Series 1996 A Bonds and the Certificate of Authentication and Registration to be
2 endorsed thereon are to be in substantially the form set forth herein with necessary and
3 appropriate variations, omissions and insertions as permitted or required by this Resolution or a
4 Supplemental Resolution or as deemed necessary by the Registrar or the District.
5

6 K. All things necessary to make the Series 1996 A Bonds, when authenticated by the
7 Registrar and issued as in this Resolution provided, the valid, binding and legal special
8 obligations of the District according to the import thereof, and to validly pledge and assign those
9 funds pledged hereby to the payment of the principal of and interest on the Series 1996 A Bonds,
10 will be timely done and duly performed.
11

12 L. The enactment of this Resolution, and the execution and issuance of the Series 1996 A
13 Bonds, subject to the terms thereof, will not result in any breach of, nor constitute a default
14 under, any instrument to which the District is a party or by which it may be bound or affected.
15

16 M. The District has complied with provisions of the laws of the State of West Virginia,
17 required to be complied with prior to the issuance of the Series 1996 A Bonds, including, without
18 limitation, receiving the approval of the Public Service Commission of West Virginia.
19

20 N. The Series 1996 A Bonds are not private activity bonds as defined in the Code.
21

22 O. Ninety-five percent (95%) or more of the net proceeds (as defined with respect to the
23 Code) of the Series 1996 A Bonds will be used for local governmental activities of the District.
24

25 P. The District shall not permit at any time any of the proceeds of the Bonds or other
26 funds of the District to be used directly or indirectly in any manner which would result in the
27 exclusion of the Bonds from the treatment afforded by Section 103(a) of the Code.
28

29 Q. The District will file all statements, instruments and returns necessary to assure the
30 tax-exempt status of the Bonds.
31

32 R. The Bonds will not be federally guaranteed within the meaning of Section 149(b) of
33 the Code.
34

35 S. It is deemed necessary for the District to issue its Series 1996 A Bonds to refund the
36 1986 Series A Bonds.
37

38 SECTION 1.03. RESOLUTION CONSTITUTES A CONTRACT.

39 In consideration of the acceptance of the Bonds authorized to be issued hereunder by
40 those who shall hold the same from time to time, this Resolution shall be deemed to be and shall

43 protection and security of the legal holders of any and all of such Bonds issued hereunder, all of
44 which shall be of equal rank and without preference, priority or distinction between any one

41 For every such exchange or transfer of Bonds, the Registrar may make a charge sufficient to
42 reimburse it for any tax, fee or other governmental charge required to be paid with respect to
43 such exchange or transfer and the cost of preparing each new Bond upon each exchange or
44 transfer, and any other expenses of said Registrar incurred in connection therewith, which
45 changes and expenses shall be paid by the Registered Owner requesting such transfer or

1 exchange. The Registrar shall not be obligated to make any such change or transfer of Bonds
2 during the period beginning with the Record Date and ending on the date or, in a case of any
3 partial redemption of Bonds during the fifteen days next preceding the date of the selection of
4 Bonds to be redeemed.

5
6 SECTION 3.06. BONDS MUTILATED, DESTROYED, STOLEN OR LOST.

7 In case any Bonds shall become mutilated or be destroyed, stolen or lost, the District may
8 in its discretion issue and deliver a new Bond in exchange and substitution for such Bonds so
9 mutilated, destroyed, stolen or lost, upon surrender and cancellation of such mutilated Bond or in
10 lieu of and substitution for the Bond, if any, destroyed, stolen or lost, and upon the holder's
11 furnishing the District proof of his or her ownership thereof and satisfactory indemnity and
12 complying with such other reasonable regulations and conditions as the District may prescribe
13 and paying such expenses as the District may incur. All Bonds so surrendered shall be canceled
14 by the Registrar and held for the account of the District. If such Bond shall have matured or be
15 about to mature, instead of issuing a substitute Bond, the District may pay the same, upon being
16 indemnified as aforesaid, and, if such Bond be lost, stolen, or destroyed, without surrender
17 therefor.

18
19 Any such duplicate Bonds issued pursuant to this Section shall constitute original,
20 additional contractual obligations on the part of the District, whether or not the lost, stolen or
21 destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to
22 equal and proportionate benefits and rights as to lien and source of security for payment from the
23 revenues pledged herein with all other Bonds issued hereunder.

24
25 SECTION 3.07. BONDS SECURED BY PLEDGE OF REVENUES; NOT TO BE INDEBTEDNESS OF
26 THE DISTRICT.

27 The payment of the debt service of all of the Series 1996 A Bonds shall be secured
28 forthwith equally and ratably with each other by a first lien on the Revenues derived from the
29 System, which lien is on a parity and is shared with the holders of the 1986 Series B Bonds.
30 Such Revenues, in the amount sufficient to pay the principal of and interest on the Series 1996 A
31 Bonds and the principal of the 1986 Series B Bonds and to make the payments required into the
32 respective Sinking Funds and the Reserve Accounts therefor, and the Renewal and Replacement
33 Fund as established in the Prior Resolution or hereinafter established, are hereby irrevocably
34 pledged to the payment of the principal of and interest on the Series 1996 A Bonds and the
35 principal of the 1986 Series B Bonds as the same become due. The Bonds shall not, in any
36 event, be or constitute an indebtedness of the District within the meaning of any constitutional or
37 statutory provision or limitation, but shall be payable solely from Revenues and otherwise as
38 provided herein. No Registered Owner or Owners of any of the Bonds shall ever have the right
39 to compel the exercise of the taxing power of the District to pay the Bonds or the interest
40 thereon.
41

1 SECTION 3.08. NOTICE OF REDEMPTION.

2 (a) The Registrar shall cause notice of any redemption of Bonds to be mailed by first
3 class mail to AMBAC Indemnity and to the Owners of all Bonds to be redeemed at the addresses
4 thereof appearing in the Registration Books. Each such notice shall (i) be mailed not more than
5 60 days nor less than 30 days prior to the redemption date, (ii) identify the Bonds to be redeemed
6 (specifying the CUSIP numbers, if any, assigned to the Bonds), (iii) specify the redemption date
7 and the Redemption Price, and (iv) state that on the redemption date the Bonds called for
8 redemption will be payable at the principal corporate trust office of the Paying Agent, that from
9 that date the Bonds called for redemption will be deemed to be paid, and interest will cease to
10 accrue, and that no representation is made as to the accuracy or correctness of the CUSIP
11 numbers printed therein or notice of redemption or mailing thereof (including any failure to mail
12 such notice), shall affect the validity of the redemption proceedings for any other Bonds for
13 which notice was properly given.
14

15 (b) If at the time of mailing of any notice of redemption the District shall not have
16 deposited with the Paying Agent moneys sufficient to redeem all the Bonds called for
17 redemption, such notice shall state that it is subject to the deposit of such moneys with the
18 Paying Agent not later than the opening of business on the redemption date and shall be of no
19 effect unless such moneys are so deposited. If such moneys are not deposited by such date and
20 time, the Registrar promptly shall notify the Owners of all Bonds called for redemption of such
21 fact.
22

23 (c) Notwithstanding any other provisions herein to the contrary, the Registrar shall cause
24 copies of any notices delivered pursuant to this Section 3.08 to be delivered to such other
25 organizations or entities to which like notices are then delivered in accordance with industry
26 standards.
27

28 SECTION 3.09 FORM OF BONDS.

29 The text of the Bonds, and the form of the Certificate of Authentication and Registration
30 thereon, shall be of substantially the following tenor, with such omissions, insertions and
31 variations as may be necessary and desirable and authorized or permitted by this Resolution or
32 any subsequent resolution or Resolution adopted or enacted prior to the issuance thereof.

39 The Bonds are payable only from and are secured by a shared first lien, on a parity with
40 the holders of the 1986 Series B Bonds, on the revenues to be derived from the operation of the

2 ARTICLE IV

3 SYSTEM REVENUES AND APPLICATION THEREOF

4 SECTION 4.01. APPLICATION OF SYSTEM REVENUES.

5 So long as any of the Bonds shall be outstanding and unpaid, the District covenants with
6 the holders of the Bonds as follows:

7 A. The entire Revenues derived from the operation of the System and all parts thereof
8 shall be deposited by the District in a special fund in the Depository Bank, which fund, to be
9 designated the "Sewer System Revenue Fund" (the "Revenue Fund"), is hereby established. The
10 Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall
11 be kept separate and distinct from all other funds of the District and used only for the purposes
12 and in the manner herein provided. All Revenues at any time remaining on deposit in the
13 Revenue Fund shall be disposed of only in the following manner and order of priority:

14
15 (1) The District shall first each month, from the moneys in the Revenue Fund, pay all
16 reasonable Operating Expenses of the System.

17
18 (2) Thereafter, from the moneys in the Revenue Fund, the District shall, on the first day
19 of each month, commencing with and including the first day of that month which is seven
20 months prior to the first interest payment date of said Bonds, apportion and set apart out of the
21 Revenue Fund and remit to the Commission, for deposit in a fund to be known as the "Sinking
22 Fund," which is hereby created and established, a sum equal to one-sixth (1/6) of the amount of
23 interest which will become due on the 1996 Series A Bonds on the next ensuing semiannual
24 interest payment date; provided, however, that, in the event the period to elapse between said
25 initial payment date and the next semiannual interest payment date is less than seven (7) months,
26 then such monthly payments shall be increased proportionately to provide the required amount of
27 interest payable on the next semiannual interest payment date one month prior to said date.

28
29 The District shall also apportion and set apart out of the Revenue Fund and remit to the
30 Commission for deposit in said Sinking Fund, on the first day of each month, beginning on the
31 first day of that month which is thirteen (13) months prior to the first principal payment date of
32 the 1996 Series A Bonds, a sum equal to one-twelfth (1/12) of the amount of principal which will
33 mature and become due on the 1996 Series A Bonds on the next ensuing principal payment date.
34 The District shall also, at the same time, remit to the Commission for deposit in the Sinking Fund
35 a sum equal to one-twelfth (1/12) of the amount of principal which will mature and become due
36 on the 1986 Series B Bonds on the next ensuing principal payment date for such bonds. In the
37 event there is insufficient money in the Revenue Fund to make the deposits required by this
38 paragraph, then the District shall make such deposits in the prorata manner.

39
40 The District shall also, from the Revenue Fund, remit to the Commission on such dates or
41 at such other times, as the Commission shall require, such additional sums as shall be necessary
42 to pay the fiscal agency charges due for paying the 1996 Series A Bonds and the interest thereon
43 and for paying the 1986 Series B Bonds.

1
2 Moneys in the Sinking Fund shall be used only for the purposes of paying principal of
3 and interest on the 1996 Series A Bonds and principal of the 1986 Series B Bonds as the same
4 shall become due.
5

6 Notwithstanding any other provision of this Resolution, the Commission or the District
7 [as appropriate] shall immediately notify AMBAC Indemnity if at any time there are insufficient
8 moneys to make any payment of principal and/or interest as required and immediately upon the
9 occurrence of any Event of Default hereunder.
10

11 The District shall not be required to make any further payments into said Sinking Fund on
12 account of the Series 1996 A Bonds when the aggregate amount of funds in the Sinking Fund,
13 including the Reserve Account therein, is at least equal to the aggregate principal amount of 1996
14 Series A Bonds issued pursuant to this Resolution then Outstanding, plus the amount of interest
15 due or thereafter to become due on the 1996 Series A Bonds then Outstanding.
16

17 The District shall not be required to make any further payments into said Sinking Fund on
18 account of the 1986 Series B Bonds when the aggregate amount of funds in the Sinking Fund,
19 including the Reserve Account therein, is at least equal to the aggregate principal amount of the
20 1986 Series B Bonds then Outstanding.
21

22 As and when additional Bonds ranking on a parity with the Series 1996 A Bonds herein
23 authorized are issued, provision shall be made for additional payments into said Sinking Fund
24 sufficient to pay the principal of and interest on such additional parity Bonds and accomplish
25 retirement thereof at or before maturity.
26

27 The payments into the Sinking Fund shall be made on the first day of each month, except
28 that, when the first day of any month shall be a Sunday or legal holiday, then such payments
29 shall be made on the next succeeding business day, and all such payments shall be remitted to the
30 Commission with appropriate instructions as to the custody, use and application thereof
31 consistent with the provisions of this Resolution.
32

33 (3) (a) Then from the moneys remaining in the Revenue Fund, the District shall next,
34 each month, pay into the Reserve Account an amount necessary to make up any deficiency in the
35 Reserve Account Requirement, resulting from (i) the valuation of investments in the Reserve
36 Account which results in a determination that the amount of moneys and the Value of the
37 Qualified Investments deposited to the credit of the Reserve Account is less than the Reserve
38 Account Requirement, or (ii) withdrawals from the Reserve Account, for deposit into the Sinking
39 Fund, beginning with the first full calendar month following the event described in either clause
40 (i) or (ii) above. Provided, that in no event shall the amount deposited into the Reserve Account
41 in any month be less than, in the event the deficiency in the Reserve Account Requirement is due
42 to a decrease in the value of the Qualified Investments therein in excess of 10% of such amount,
43 an amount equal to 1/4th of the amount of such deficiency, and otherwise, an amount equal to
44 1/12th of the amount of the deficiency in the Reserve Account determined as set forth in clause
45 (ii) above and the amount then withdrawn from the Reserve Account, as described in clause (ii)
46 above (it being understood that any such 1/12th payment shall be made in such amount for 12

1 consecutive months unless the amount in the Reserve Account shall have been made equal to the
2 Reserve Account Requirement prior to such twelfth consecutive month); and provided further,
3 that no payments shall be required to be made into the Reserve Account whenever and as long as
4 the amount deposited therein shall be equal to the Reserve Account Requirement.
5

6 (b) At the same time the District shall pay into the Reserve Account established for the
7 1986 Series B Bonds an amount necessary to make up any deficiency in the Reserve Account
8 Requirement with respect to the 1986 Series B Bonds, resulting from (i) the valuation of
9 investments in such Reserve Account which results in a determination that the amount of moneys
10 and the Value of the Qualified Investments deposited to the credit of such Reserve Account is
11 less than the Reserve Account Requirement for the 1986 Series B Bonds, or (ii) withdrawals
12 from such Reserve Account, for deposit into the Sinking Fund, beginning with the first full
13 calendar month following the event described in either clause (i) or (ii) above. Provided, that in
14 no event shall the amount deposited into the Reserve Account for the 1986 Series B Bonds in any
15 month be less than, in the event the deficiency in the Reserve Account Requirement is due to a
16 decrease in the value of the Qualified Investments therein in excess of 10% of such amount, an
17 amount equal to 1/4th of the amount of such deficiency, and otherwise, an amount equal to
18 1/12th of the amount of the deficiency in such Reserve Account determined as set forth in clause
19 (ii) above and the amount then withdrawn from the Reserve Account, as described in clause (ii)
20 above (it being understood that any such 1/12th payment shall be made in such amount for 12
21 consecutive months unless the amount in the Reserve Account shall have been made equal to the
22 Reserve Account Requirement prior to such twelfth consecutive month); and provided further,
23 that no payments shall be required to be made into the Reserve Account for the 1986 Series B
24 Bonds whenever and as long as the amount deposited therein shall be equal to the Reserve
25 Account Requirement for the 1986 Series B Bonds.
26

27 (4) Thereafter, from the moneys remaining in said Revenue Fund, the District shall next,
28 on the first day of each month commencing with the first month in which interest shall be
29 payable from the Revenue Fund, remit to the Depository Bank for deposit in a special
30 depreciation account, to be designated the "Renewal and Replacement Fund," which account is
31 hereby established and created, a sum equal to two and one-half percent (2½%) of the Revenues
32 each month, exclusive of any payments for the account of the Reserve Account in the Sinking
33 Fund. All funds in said Renewal and Replacement Fund shall be kept apart from all other
34 municipal funds and shall be invested and reinvested, at the direction of the District, in Qualified
35 Investments to the fullest extent possible under applicable laws, this Resolution and the need for
36 such moneys for the purposes set forth below.
37

38 Withdrawals and disbursements may be made from the Renewal and Replacement Fund
39 for replacements, enlargements, emergency repairs, improvements and extensions to the System;
40 provided, that any deficiency occurring in the Reserve Accounts shall be promptly eliminated
41 with moneys from the Renewal and Replacement Fund.
42

43 (5) Whenever all of the required and provided transfers and payments from said Revenue
44 Fund into the several special funds, as hereinbefore provided, are current and there remains in
45 said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and
46 paid for operating expenses and into the Sinking Fund and the Renewal and Replacement Fund

1 during the next succeeding three (3) months, such excess shall be considered as surplus
2 Revenues. Said surplus revenues shall be first used for the acquisition and construction of
3 extensions, improvements and betterments to the System, and, thereafter, to the extent not
4 needed for such purposes, may be used to purchase Bonds upon the open market at not exceeding
5 the then applicable redemption price or to call and redeem the Bonds on the next succeeding
6 interest payment date or for any lawful purpose of the System.

7
8 (6) If on any monthly payment date the revenues of the System are insufficient to make
9 the required deposits in any of the funds as hereinabove provided, the deficiency shall be made
10 up on the next ensuing payment dates by payments in addition to the payments which are
11 otherwise required to be made into the funds on such ensuing payment dates.

12
13 B. The Commission is hereby designated as the fiscal agent for the administration of the
14 Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be
15 remitted to the Commission from said Revenue Fund and from the proceeds of the sale of the
16 Bonds, as provided in Article V hereof, by the District at the times provided herein. All
17 remittances made by the District to the Commission shall clearly identify the fund or account
18 into which each amount is to be deposited.

19
20 C. The moneys on deposit in the Revenue Fund and the Renewal and Replacement Fund
21 (unless remitted to the Commission) in excess of the sum insured by the maximum amounts
22 insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such
23 insured sum, by Government Obligations or such other obligations as shall be eligible as security
24 for deposits of State and municipal funds under the laws of the State of West Virginia.

25
26 D. The Commission shall invest the funds which it holds pursuant to this Resolution,
27 including the Reserve Account in the Sinking Fund, to the fullest possible extent so that all
28 moneys shall be invested for the maximum possible period consistent with the tenor hereof.

29
30 E. Anything to the contrary herein notwithstanding, when the aggregate sum in the
31 Sinking Fund, including the Reserve Account therein, is sufficient to pay and redeem all the
32 Bonds Outstanding and all interest accrued and to accrue thereon and any applicable redemption
33 premiums, the District shall cause all the Bonds to be paid or called and redeemed at the earliest
34 practicable date permitted, pursuant to the provisions hereof as to redemption of Bonds.

35
36 SECTION 4.02. PAYMENT PROCEDURE PURSUANT TO THE MUNICIPAL BOND INSURANCE
37 POLICY.

38 As long as the Municipal Bond Insurance Policy shall be in full force and effect, the
39 District and the Commission agree to comply with the following provisions:

40
41 (a) at least one (1) day prior to all Interest Payment Dates the Commission will
42 determine whether there will be sufficient funds in the funds and accounts to pay the
43 principal of or interest on the Bonds on such Interest Payment Date. If the Commission
44 determines that there will be insufficient funds in such funds and accounts, the
45 Commission shall so notify AMBAC Indemnity. Such notice shall specify the amount of

1 the anticipated deficiency, the Bonds to which such deficiency is applicable and whether
2 such Bonds will be deficient as to principal or interest or both. If the Commission has not
3 so notified AMBAC Indemnity at one (1) day prior to an Interest Payment Date, AMBAC
4 Indemnity will make the payments of principal or interest due on the Bonds on or before
5 the first 1st day next following the date on which AMBAC Indemnity shall have received
6 notice of nonpayment from the Commission.
7

8 (b) the Registrar and the Commission, as applicable, shall, after giving notice to
9 AMBAC Indemnity as provided in (a) above, make available to AMBAC Indemnity and,
10 at AMBAC Indemnity's direction, to the United States Trust Company of New York, as
11 insurance trustee for AMBAC Indemnity or any successor insurance trustee (the
12 "Insurance Trustee"), the registration books of the District maintained by the Registrar
13 and all records relating to the funds and accounts maintained under this Resolution.
14

15 (c) the Registrar shall provide AMBAC Indemnity and the Insurance Trustee with a list
16 of registered owners of Bonds entitled to receive principal or interest payments from
17 AMBAC Indemnity under the terms of the Municipal Bond Insurance Policy, and shall
18 make arrangements with the Insurance Trustee (i) to mail checks or drafts to the
19 registered owners of Bonds entitled to receive full or partial interest payments from
20 AMBAC Indemnity and (ii) to pay principal upon Bonds surrendered to the Insurance
21 Trustee by the registered owners of the Bonds entitled to receive full or partial principal
22 payments from AMBAC Indemnity.
23

24 (d) the Commission shall, at the time it provides notice to AMBAC Indemnity pursuant
25 to (a) above, notify the registered owners of the Bonds entitled to receive payment of
26 principal and interest thereon from AMBAC Indemnity (i) as to the fact of such
27 entitlement, (ii) that AMBAC Indemnity will remit to them all of a part of the interest
28 payments next coming due upon proof of Bondholder entitlement to interest payments
29 and delivery to the Insurance Trustee, in form satisfactory to the Insurance Trustee, of an
30 appropriate assignment of the registered owner's right to payment, (iii) that should they
31 be entitled to receive full payment of principal from AMBAC Indemnity, they must
32 surrender their Bonds (along with an appropriate instrument of assignment in form
33 satisfactory to the Insurance Trustee to permit ownership of such Bonds to be registered
34 in the name of AMBAC Indemnity) for payment to the Insurance Trustee, and not to the
35 Commission, and (iv) that should they be entitled to receive a partial payment of principal
36 from AMBAC Indemnity, they must surrender their Bonds for payment thereon first to
37 the Commission, who shall note on such Bond the portion of the principal paid by the
38 Commission, and then, along with an appropriate instrument of assignment in form
39 satisfactory to the Insurance Trustee, to the Insurance Trustee, which will then pay the
40 unpaid portion of the principal.
41

42 (e) in the event that the Commission has notice that any payment of principal or
43 interest on a Bond which has become due for payment and which is made to the
44 Bondholder by or on behalf of the District has deemed a preferential transfer and
45 theretofore recovered from its registered owner pursuant to the United States Bankruptcy
46 Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a

1 court having competent jurisdiction, the Commission shall, at the time AMBAC
2 Indemnity is notified pursuant to (a) above, notify all registered owners that in the event
3 that any registered owner's payment is so recovered, such registered owner will be
4 entitled to payment from AMBAC Indemnity to the extent of such recovery if sufficient
5 funds are not otherwise available, and the Commission shall furnish to AMBAC
6 Indemnity its records evidencing payments of principal of and interest on the Bonds
7 which have been made by the Commission and subsequently recovered against registered
8 owners and the dates on which such payments were made.
9

10 (f) in addition to the rights granted to AMBAC Indemnity under this Resolution,
11 AMBAC Indemnity shall, to the extent it makes payment of principal of or interest on the
12 Bonds, become subrogated to the rights of the recipients of such payments in accordance
13 with the Municipal Bond Insurance Policy, and to evidence such subrogation (i) in the
14 case of subrogation as to claims for past due interest, the Registrar or the Commission
15 shall note AMBAC Indemnity's rights as subrogee in the registration books of the
16 District maintained by the Registrar upon receipt from AMBAC Indemnity of proof of
17 the payment of thereon to the registered owners of the Bonds, and (ii) in the case of the
18 subrogation as to claims for past due principal, the Registrar or Commission shall note
19 AMBAC Indemnity's rights as subrogee on the registration books of the District
20 maintained by the Registrar, upon surrender of the Bonds by the registered owners
21 thereof together with proof of the payment of the principal thereof.

1 ARTICLE VI

2 ADDITIONAL COVENANTS OF THE DISTRICT

3 SECTION 6.01. GENERAL COVENANTS OF THE DISTRICT.

4 All the covenants, agreements and provisions of this Resolution shall be and constitute
5 valid and legally binding covenants of the District and shall be enforceable in any court of
6 competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other
7 covenants, agreements and provisions of this Resolution, the District hereby covenants and
8 agrees with the Holders of the Bonds as hereinafter provided in this Article VI. All such
9 covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as
10 any of said Bonds, or the interest thereon, is outstanding and unpaid.

11
12 SECTION 6.02. BONDS NOT TO BE INDEBTEDNESS OF THE DISTRICT.

13 The Bonds shall not constitute an indebtedness of the District within the meaning of any
14 constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the
15 revenues of the System, or from the Reserve Account, as herein provided. No holder or holders
16 of any Bonds issued hereunder shall ever have the right to compel the exercise of the taxing
17 power of the District to pay said Bonds or the interest thereon.

18
19 SECTION 6.03. BONDS TO BE SECURED BY PLEDGE OF NET REVENUES.

20 Payment of the debt service of the Series 1996 A Bonds issued hereunder shall be secured
21 equally and ratably by a first lien on the Net Revenues derived from the operation of the System
22 with each other and with the District's Series 1986 Series B Bonds heretofore issued. The
23 Revenues derived from the System, in an amount sufficient to pay the principal of and interest on
24 the Series 1996 A Bonds and the Series 1986 B Bonds, and to make the payments into the
25 attendant Sinking Funds, including the Reserve Accounts therein, and all other payments
26 provided for in this Resolution are irrevocably pledged hereby to the payment of the principal of
27 and interest on the Series 1996 A Bonds and the Series 1986 B Bonds as the same become due,
28 and for the other purposes provided for in this Resolution.

29
30 SECTION 6.04. RATES.

31 Prior to the issuance of the Bonds, just and equitable rates or charges for the use of the
32 services and facilities of the System will be fixed and established, all in the manner and form
33 required by law, and copies of such rates and charges so fixed and established shall at all times
34 be kept on file in the office of the Board of Commissioners, which will be open to inspection by
35 all interested parties. The schedule of rates and charges shall at all times be adequate to produce
36 gross revenues from said System sufficient to pay operating expenses and to make the prescribed
37 payments into the funds and accounts created or maintained hereunder. Such schedule of rates
38 and charges shall be revised from time to time, whenever necessary, so that the aggregate of the
39 rates and charges will be sufficient for such purposes. In order to assure full and continuous
40 performance of this covenant with a margin for contingencies and temporary unanticipated
41 reduction in income and revenues, the District hereby covenants and agrees that the schedule of

1 rates or charges from time to time in effect shall be at least sufficient to provide for all reasonable
2 operating expenses of the System and leave a balance each year equal to at least one hundred
3 twenty-five percent (125%) of the maximum annual amount required to pay the interest on and
4 principal of the Bonds and all other obligations secured by or payable from the revenues of the
5 System prior to or on a parity with the Bonds, as the same become due and accomplish
6 retirement of all Bonds for the payment of which such revenues have or shall have been pledged,
7 charged or otherwise encumbered. To the extent permitted by law, all such rates and charges, if
8 not paid when due, shall constitute a lien upon the premises served by the System.

9
10 SECTION 6.05. OPERATION AND MAINTENANCE.

11 The District will maintain the System in good condition and will operate the same as a
12 revenue-producing enterprise in an efficient and economical manner, making such expenditures
13 for equipment and for renewal, repair and replacement as may be proper for the economical
14 operation and maintenance thereof from the revenues of said System in the manner provided in
15 this Resolution.

16
17 SECTION 6.06. SALE OF THE SYSTEM.

18 The System may be sold, mortgaged, leased, or otherwise disposed of only as a whole, or
19 substantially as a whole, and only if the net proceeds to be realized shall be sufficient fully to pay
20 or redeem at or prior to maturity all the Bonds Outstanding. The proceeds from such sale,
21 mortgage, lease or other disposition of the System shall immediately be remitted to the
22 Commission for deposit in the Sinking Fund, and the District shall direct the Commission to
23 apply such proceeds to the payment of principal and interest at the maturity of Bonds about to
24 mature and to the redemption prior to maturity, at the earliest date permitted hereby and at the
25 redemption price, of all other outstanding Bonds. Any balance remaining after the redemption or
26 payment of all the Bonds and interest thereon shall be remitted to the District by the Commission
27 unless necessary for the payment of other obligations of the District payable out of the revenues
28 of the System.

29
30 The foregoing provision notwithstanding, the District shall have and hereby reserves the
31 right to sell, lease or otherwise dispose of any of the property comprising a part of the System
32 hereinafter determined in the manner provided herein to be no longer necessary, useful or
33 profitable in the operation thereof. Prior to any such sale, lease or other disposition of such
34 property, if the amount to be received therefor is not in excess of ten thousand dollars (\$10,000),
35 the Board of Commissioners shall, in writing, determine that such property comprising a part of
36 the System is no longer necessary, useful or profitable in the operation thereof, and the Board
37 may then provide for the sale of such property. The proceeds of any such sale shall be deposited
38 in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or
39 other disposition of said property shall be in excess of ten thousand dollars (\$10,000) but not in
40 excess of one hundred thousand dollars (\$100,000), the Board of Commissioners shall first, in
41 writing, determine with the written approval of a consulting engineer that such property
42 comprising a part of the System is no longer necessary, useful or profitable in the operation
43 thereof, and the Board may then, if it be so advised, by resolution duly adopted, approve and
44 concur in such finding and authorize such sale, lease or other disposition of such property upon

1 public bidding. The proceeds derived from any such sale, lease or other disposition of such
2 property, in excess of ten thousand dollars (\$10,000) and not in excess of one hundred thousand
3 dollars (\$100,000), shall be remitted by the District to the Commission for deposit in the Sinking
4 Fund and shall be applied only to the redemption of Bonds of the last maturities then
5 Outstanding or to the purchase of Bonds of the last maturities then Outstanding at prices not
6 greater than the redemption price of such Bonds. Such payments of such proceeds into the
7 Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be
8 paid into said funds by other provisions of this Resolution.
9

10 No sale, lease or other disposition of the properties of the System shall be made by the
11 District if the proceeds to be derived therefrom shall be in excess of one hundred thousand
12 dollars (\$100,000) and insufficient to pay or redeem prior to maturity all the Bonds then
13 Outstanding without the prior approval and consent in writing of the Holders, or their duly
14 authorized representatives, of sixty-six and two-thirds percent (66-2/3%) in amount of Bonds
15 then Outstanding. The District shall prepare the form of such approval and consent for execution
16 by the then Holders of the Bonds, for the disposition of the proceeds of the sale, lease or other
17 disposition of such properties of the System.
18

19 SECTION 6.07. ISSUANCE OF OTHER OBLIGATIONS PAYABLE OUT OF REVENUE AND
20 GENERAL COVENANT AGAINST ENCUMBRANCES.

21 The District shall not issue any other obligations whatsoever, except pari passu additional
22 Bonds provided for in Section 6.08 hereof, payable from the Revenues of the System which rank
23 prior to, or equally, as to lien on and source of and security for payment from such Revenues
24 with the Bonds; and all obligations hereafter issued by the District payable from the Revenues of
25 the System, except such additional Bonds shall contain an express statement that such
26 obligations are junior and subordinate as to lien on and source of and security for payment from
27 such Revenues and in all other respects to the Bonds.
28

29 The District shall not create, or cause or permit to be created any debt, lien, pledge,
30 assignment, encumbrance or any other charge having priority over or, except with respect to said
31 pari passu additional Bonds, being on a parity with the lien of the Bonds, and the interest
32 thereon, upon any of the income and revenues of the System pledged for payment of the Bonds
33 and the interest thereon in this Resolution or upon the System or any part thereof.
34

35 SECTION 6.08. ADDITIONAL PARITY BONDS.

36 No additional parity Bonds, as in this Section defined, payable out of the revenues of the
37 System, shall be issued after the issuance of any Bonds pursuant to this Resolution, except under
38 the conditions and in the manner herein provided.
39

40 No such additional parity Bonds shall be issued except for the purpose of financing the
41 costs of the acquisition or construction of extensions, improvements and betterments to the
42 System or refunding the entirety of one or more series of Bonds issued pursuant hereto, or both
43 such purposes.
44

1 No such additional parity Bonds shall be issued at any time, however, unless and until
2 there has been procured and filed with the District Secretary a written statement by Independent
3 Accountants, based upon the necessary investigation and certification by a consulting engineer,
4 reciting the conclusion that the Net Revenues actually derived, subject to the adjustments
5 hereinafter provided, from the System during any twelve (12) consecutive months within the
6 eighteen (18) months immediately preceding the date of the actual issuance of such additional
7 parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of
8 the three (3) succeeding years after the completion of the improvements to be financed by such
9 additional parity Bonds, shall not be less than one hundred twenty-five percent (125%) of the
10 maximum annual amount which will mature and become due for principal of and interest in any
11 succeeding year on the following:

12
13 (1) The 1986 Series B Bonds then Outstanding;

14
15 (2) The Series 1996 A Bonds then Outstanding;

16
17 (3) Any additional parity Bonds theretofore issued pursuant to the provisions
18 contained in this Resolution then Outstanding; and

19
20 (4) The additional parity Bonds then proposed to be issued.

21
22 The "estimated average increased annual Net Revenues to be received in each of the three
23 (3) succeeding years", as that term is used in the computation provided in the above paragraph,
24 shall refer only to the increased Net Revenues estimated to be derived from any increase in rates
25 enacted by the District, the time for appeal of which shall have expired prior to the date of
26 delivery of such additional parity Bonds, and shall not exceed the amount to be stated in a
27 certificate of a consulting engineer, which shall be filed in the office of the District Secretary
28 prior to the issuance of such additional parity Bonds, adjusted as provided in the following
29 paragraph.

30
31 The Net Revenues actually derived from the System during the twelve (12) consecutive
32 month period hereinabove referred to may be adjusted by adding to such Net Revenues such
33 additional Net Revenues which would have been received, in the opinion of a consulting
34 engineer and the Independent Accountants as stated in a certificate jointly made and signed by a
35 consulting engineer and the Independent Accountants, on account of increased rates, rentals, fees
36 and charges for the System enacted by the District, the time for appeal of which shall have
37 expired prior to issuance of such additional parity Bonds.

38
39 Not later than simultaneously with the delivery of such additional parity Bonds, the
40 District shall have entered into written contracts for the immediate acquisition or construction of
41 such extensions, improvements and betterments to the System which are to be financed by such
42 additional parity Bonds.

43
44 The term "additional parity Bonds," as used in this Section, shall be deemed to mean
45 additional Bonds issued under the provisions and within the limitations of this Section, payable
46 from the Revenues of the System on a parity with the 1986 Series B Bonds and the Series 1996

1 A Bonds, and all the covenants and other provisions of this Resolution (except as to details of
2 such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and
3 security of the Holders of the 1986 Series B Bonds and the Series 1996 A Bonds and the Holders
4 of any additional parity Bonds subsequently issued from time to time within the limitations of
5 and in compliance with this Section. All the Bonds, regardless of the time or times of their
6 issuance, shall rank equally with respect to their lien on the Revenues of the System, and their
7 source of and security for payment from said Revenues, without preference of any Bond over any
8 other. The District shall comply fully with all the increased payments into the various funds
9 created in this Resolution required for and on account of such additional Bonds, in addition to the
10 payments required for Bonds theretofore issued pursuant to this Resolution.

11
12 The term "additional parity Bonds," as used in this Section, shall not be deemed to
13 include any bonds, notes, certificates or other obligations subsequently issued, the lien of which
14 on the Revenues of the System is subject to the prior and superior lien of the Bonds on such
15 revenues. The District shall not issue any obligations whatsoever payable from the Revenues of
16 the System, or any part thereof, which rank prior to or equally, as to lien and source of and
17 security for payment from such Revenues, with the Bonds except in the manner and under the
18 conditions provided in this Section.

19
20 No additional parity Bonds, as in this Section defined, shall be issued at any time,
21 however, unless all the payments into the respective funds and accounts provided for in this
22 Resolution on account of the Bonds then Outstanding, and any other payments provided for in
23 this Resolution shall have been made in full as required to the date of delivery of the additional
24 parity Bonds.

25
26 The District may issue additional parity Bonds without compliance with any other
27 conditions for the purpose of refunding prior to maturity any series of the Bonds, provided that
28 the annual debt service required on account of the refunding Bonds and the Bonds which are not
29 refunded shall not be greater in any year in which the Bonds not refunded and the refunding
30 Bonds are to be Outstanding than the annual debt service required in such year if the Bonds to be
31 refunded were not so refunded.

32
33 SECTION 6.09. INSURANCE.

34 The District will carry such insurance and in such amounts as is customarily carried with
35 respect to works and properties similar to the System, with a reputable insurance carrier or
36 carriers, against loss or damage by fire, explosion, hurricane, earthquake, cyclone, occupancy or
37 other hazards and risks. The District will require that each of its contractors and all
38 subcontractors maintain, during the life of any construction contract, workers' compensation
39 coverage, public liability insurance, property damage insurance and vehicle liability insurance.
40 In time of war, the District shall also carry in said amount such insurance as may be available
41 against loss or damage by the risks and hazards of war. The proceeds of all such insurance
42 policies shall be disposed of as provided in this Resolution and otherwise shall be placed in the
43 Renewal and Replacement Fund and used only for the repair and restoration of the damaged or
44 destroyed properties or for the other purposes provided herein for said Renewal and Replacement
45 Fund. The District will also carry liability insurance for damage or injury to persons or property

1 in amounts adequate for such purposes and customarily carried with respect to works and
2 properties similar to the System.

3
4 SECTION 6.10. MANDATORY CONNECTIONS.

5 To the extent authorized by the laws of the State and the rules and regulations of the PSC,
6 prospective users of the System shall be required to connect thereto.

7
8 SECTION 6.11. CONSULTING ENGINEER.

9 The District will, with the prior approval of the PSC, retain a recognized, qualified
10 independent consulting engineer on a biannual basis to supervise generally the operation,
11 maintenance and repair of the System and to report biannually to the District in writing their
12 recommendations and comments as to the System. Such biannual report of a consulting
13 engineer, or a summary thereof, shall be made available at reasonable times to any Bondholder
14 requesting the same.

15
16 SECTION 6.12. SERVICES RENDERED TO THE DISTRICT.

17 The District will not render or cause to be rendered any free services of any nature by its
18 System; and, in the event the District or any department, agency, instrumentality, officer or
19 employee of the District shall avail itself or himself or herself of the facilities or services
20 provided by the System or any part thereof, the same rates, fees or charges applicable to other
21 customers receiving like services under similar circumstances shall be charged the District and
22 any such department, agency, instrumentality, officer or employee. Such charges shall be paid as
23 they accrue, and the District shall transfer from its general funds sufficient sums to pay such
24 charges for service to any of its departments or properties. The revenues so received shall be
25 deemed to be revenues derived from the operation of the System and shall be deposited and
26 accounted for in the same manner as other revenues derived from such operation of the System.

27
28 SECTION 6.13. ENFORCEMENT OF COLLECTIONS.

29 The District will diligently enforce and collect all fees, rates, rentals or other charges for
30 the services and facilities of the System and take all steps, actions and proceedings for the
31 enforcement and collection of such fees, rates, rentals or other charges that shall become
32 delinquent to the full extent permitted or authorized by the laws of the State of West Virginia.
33 To the extent permitted by law, all such rates and charges, if not paid when due, shall become a
34 lien on the premises served by the System.

35
36 Whenever any rates, rentals or charges for the services or facilities of the System, or a
37 part thereof, shall remain unpaid for a period of thirty (30) days after the same shall become due
38 and payable, the user of the services and facilities, shall be delinquent until such time as all such
39 rates and charges are fully paid. The District further covenants and agrees that it will, to the full
40 extent permitted by law, and any rules and regulations Promulgated by the Public Service
41 Commission of West Virginia applicable thereto, discontinue and shut off the sewerage services
42 and facilities of the System and in the event the District owns a water facility (the "Water

1 System"), the Water System to all delinquent users of the services and facilities of the System,
2 and will not restore either water or sewerage services of the System or the Water System until all
3 delinquent charges for the service and facilities of the System, plus reasonable interest penalty
4 charges for the restoration of service, have been fully paid.

5
6 SECTION 6.14. NO COMPETING FRANCHISE.

7 To the extent allowed by law, the District will not grant or cause, consent to or allow the
8 granting of, any franchise or permit to any person, firm, corporation or body, or agency or
9 instrumentality whatsoever for the providing of any services which would compete with services
10 provided by the System.

11
12 SECTION 6.15. BOOKS AND RECORDS.

13 The District will keep books and records of the System, which shall be separate and apart
14 from all other books, records and accounts of the District, in which complete and correct entries
15 shall be made of all transactions relating to the System, and any holder of a Bond or Bonds
16 issued pursuant to this Resolution shall have the right at all reasonable times to inspect the
17 System, and all parts thereof, and all records, accounts and data of the District relating thereto.

18
19 The accounting system for the System shall follow currently accepted accounting
20 practices in accordance with the rules and regulations of the Public Service Commission of West
21 Virginia and the Act. Separate control accounting records shall be maintained by the District.
22 Subsidiary records as may be required shall be kept in the manner, on the forms, in the books,
23 and along with other bookkeeping records as prescribed by the District. The District shall
24 prescribe and institute the manner by which subsidiary records of the accounting system which
25 may be installed remote from the direct supervision of the District shall be reported to the
26 District.

27
28 The District shall file with the consulting engineer, the Original Purchaser and AMBAC
29 Indemnity within 120 days following the end of each Fiscal Year, and shall mail in each year to
30 any Bondholder requesting the same, an annual report containing the following:

31
32 A. A statement of Revenues and Operating Expenses from the System.

33
34 B. A balance sheet statement showing all deposits in all the funds and accounts provided
35 for in this Resolution, and the status of all said funds.

36
37 The District shall also, at least once a year, cause the books, records and accounts of the
38 System to be completely audited by Independent Accountants, shall mail upon request, and make
39 available generally, the report of said Independent Accountants, or a summary thereof, to any
40 Bondholder, and shall file said report with AMBAC Indemnity and the Original Purchaser.

41
42 The District will permit AMBAC Indemnity to discuss the affairs, finances and accounts
43 of the District or any information AMBAC Indemnity may reasonably request regarding security
44 for the Bonds with appropriate officers of the District. The District will permit AMBAC

1 Indemnity to have access to the System and have access to and make copies of all books and
2 records relating to the Bonds at any reasonable time.

3

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF CRAB ORCHARD-MACARTHUR PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act") and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Crab Orchard-MacArthur Public Service District (the "Issuer") is a public service district, public corporation and political subdivision of the State of West Virginia in Raleigh County of said State.

B. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain additions, betterments and improvements to the Issuer's existing public sewerage facilities, including the additions, betterments and improvements described in Exhibit A hereto (collectively, the "Project") (the Issuer's existing sewerage facilities, the Project and any further additions thereto or extensions thereof is herein called the "System") in accordance with the plans and specifications prepared by Dunn Engineers, Inc., Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The acquisition and construction of the System was financed with the proceeds from \$3,685,177.00 in principal amount of the Issuer's Sewer Revenue Bonds, Series 1986 A (the "Series 1986 A Bonds") and \$161,688 in principal amount of the Issuer's Sewer Revenue Bonds, Series 1986 B (the "Series 1986 B Bonds"), issued on May 29, 1986, authorized pursuant to the Bond Resolution adopted by the Issuer on May 27, 1986, as supplemented and amended (the "Series 1986 Bonds Resolution").

D. The Series 1986 A Bonds were refunded and defeased in accordance with the Series 1986 Bonds Resolution with a portion of the Issuer's Sewerage System Refunding Revenue Bonds, Series 1996 A (the "Series 1996 A Bonds"), dated July 15, 1996, authorized pursuant to the Bond Resolution adopted by the Issuer on July 23, 1996, as supplemented and amended (the "Series 1996 A Bonds Resolution") (the Series 1986 Bonds Resolution and the Series 1996 A Bonds Resolution are collectively referred to herein as the "Prior Resolutions").

E. The Issuer derives revenues from the System, and, except for the pledges thereof to secure and pay the Series 1986 B Bonds and the Series 1996 A Bonds (collectively, the "Prior Bonds"), said revenues are not pledged or encumbered in any manner.

F. The estimated maximum cost of the construction and acquisition of the Project and issuance of the Series 1997 Bonds, as hereinafter defined, is \$3,019,300, of which (i) \$250,000 will be permanently financed with the proceeds of the Issuer's Sewerage System Revenue Bonds, Series 1997 A (West Virginia SRF Program) (the "Series 1997 A Bonds") herein authorized, (ii) \$1,774,300 will be permanently financed with the proceeds of the Issuer's Sewerage System Revenue Bonds, Series 1997 B (West Virginia Infrastructure Fund) (the "Series 1997 B Bonds") to be issued concurrently with the issuance of the Series 1997 A Bonds, (iii) \$745,000 will be paid with the proceeds of a grant by the United States Department of Housing and Urban Development (Small Cities Block Grant through the State of West Virginia), and (iv) \$250,000 will be paid with the proceeds of a grant from the County Commission of Raleigh County, West Virginia (the Series 1997

A Bonds and the Series 1997 B Bonds are collectively referred to herein as the "Series 1997 Bonds").

G. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Series 1997 Bonds and the Prior Bonds, and all sinking funds, reserve accounts and other payments provided for herein, in the Prior Resolutions, and in the Series 1997 B Bonds Resolution, as such term is hereinafter defined.

H. It is further deemed necessary for the Issuer to issue the Series 1997 A Bonds, in the total aggregate principal amount of not more than \$250,000, to permanently finance a portion of the costs of acquisition and construction of the Project, as hereinafter defined. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 1997 A Bonds prior to and during construction and acquisition and for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Series 1997 A Bonds Reserve Account, as hereinafter defined; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 1997 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 1997 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

I. The period of usefulness of the System after completion of the Project is not less than 40 years.

J. It is in the best interest of the Issuer that its Series 1997 A Bonds be issued and sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, a division of the West Virginia Bureau of Environment (the "DEP"), the execution, delivery and form of which are ratified and approved herein. The Issuer has met the requirements of the Prior Resolutions for the issuance of the Series 1997 A Bonds on a parity with the Prior Bonds and has received, or will receive prior to the bond closing date, written consent from the owner of the Series 1986 B Bonds to issue the Series 1997 A Bonds on a parity with the lien of the Series 1986 B Bonds.

K. There will be issued concurrently on the Closing Date, additional obligations of the Issuer which will rank on a parity with the Series 1997 A Bonds and the Prior Bonds as to

liens, pledge, source of and security for payment, being the Series 1997 B Bonds to be issued pursuant to a separate resolution adopted by the Issuer simultaneously herewith (the "Series 1997 B Bonds Resolution"). There are no outstanding obligations of the Issuer other than the Series 1986 B Bonds and the Series 1996 A Bonds which will rank either senior and prior to or on parity with the Series 1997 Bonds as to liens and sources of and security for payment.

L. The Series 1997 A Bonds shall be issued with a lien on the Net Revenues, as hereinafter defined, on a parity with the lien held by the Holders of the Prior Bonds and the Series 1997 B Bonds.

M. The Issuer has complied with all requirements of West Virginia law relating to authorization of the acquisition, construction and operation of the Project and the System, and issuance of the Series 1997 A Bonds or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a Certificate of Public Convenience and Necessity, and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which has expired prior to the issuance of the Series 1997 A Bonds or has been waived by all necessary parties.

N. It is in the best interests of the Issuer that the Issuer enter into an interim financing agreement with the Interim Financing Bank as further provided in Article IV hereof.

O. The Project has been reviewed and determined to be technically and financially feasible by the Council (as hereinafter defined) as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. 1. The revenues on deposit in the Revenue Fund shall first each month be used to pay all reasonable Operating Expenses of the System.

2. The Issuer shall next on the first day of each month, transfer from the Revenue Fund and pay the amounts required by the Prior Resolutions to be deposited in the Prior Bonds Sinking Funds for payment of principal and interest on the Prior Bonds, and simultaneously (i) on the first day of each month, commencing 3 months prior to the first date of payment of principal on the Series 1997 A Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1997 A Bonds Sinking Fund, a sum equal to 1/3rd of the amount of principal which will mature and become due on said Series 1997 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1997 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months then such monthly payments shall be increased proportionately to provide, one month prior to the next quarterly principal payment date, the required amount of principal coming due on such date; and (ii) on the first day of each month, commencing 3 months prior to the first date of payment of principal of the Series 1997 B Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1997 B Bonds Sinking Fund, a sum equal to 1/3rd of the amount of principal which will mature and become due on the Series 1997 B Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1997 B Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, one month prior to the next quarterly principal payment date, the required amount of principal coming due on such date, provided that, if insufficient funds are available in the Revenue Fund to make all of the payments listed above, the Issuer shall make the payments pro rata.

The Issuer shall complete the "Monthly Payment Form," the form of which is attached to the Loan Agreement as Exhibit F, and submit a copy of said form along with a copy of its remittance check to the Authority by the 5th day of such calendar month.

3. The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously, (i) remit to the Commission the amounts required by the Prior Resolutions to be deposited in the Prior Bonds Reserve Accounts, (ii) commencing 3 months prior to the first date of principal of the Series 1997 A Bonds, if not fully funded upon the issuance of the Series 1997 A Bonds, remit to the Commission for deposit in the Series 1997 A Bonds Reserve Account, an amount equal to 1/120th of the Series 1997 A Bonds Reserve Requirement; provided that no further payments shall be made into the Series 1997 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1997 A Bonds Reserve Requirement; and (iii) commencing 3 months prior to the first date of payment of principal of the Series 1997 B Bonds, if not fully funded upon issuance of the Series 1997 B Bonds, remit to the Commission for deposit in the Series 1997 B Bonds Reserve Account, an amount equal to 1/120 of the Series 1997 B Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 1997 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1997 B Bonds Reserve Requirement.

4. The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month, as previously set forth in the Prior Resolutions and not in addition thereto, transfer to the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any reserve account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any reserve account [except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof] shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Series 1997 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 1997 A Bonds as the same shall become due. Moneys in the Series 1997 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 1997 A Bonds, as the same shall come due, when other moneys in the Series 1997 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 1997 A Bonds Sinking Fund and Series 1997 A Bonds Reserve Account (if equal to or at least the Series 1997 A Bonds Reserve Requirement) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 1997 A Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 1997 A Bonds, and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 1997 A Bonds Reserve Account which result in a reduction in the balance of the Series 1997 A Bonds Reserve Account to below the Series 1997 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full to the Series 1986 B Bonds Sinking Fund, the Series 1996 A Bonds Sinking Fund, the Series 1997 A Bonds Sinking Fund and the Series 1997 B Bonds Sinking Fund.

As and when additional Bonds ranking on a parity with the Series 1997 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in a amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional parity Bonds.

The Issuer shall not be required to make any further payments into the Series 1997 A Bonds Sinking Fund, or into the Series 1997 A Bonds Reserve Account therein when the aggregate amount of funds in said Series 1997 A Bonds Sinking Fund and Series 1997 A Bonds Reserve Account are at least equal to the aggregate principal amount of the Series 1997 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the respective maturities thereof.

Principal, interest and reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds, the Series 1997 A Bonds, the Series 1997 B Bonds and the Series 1997 C Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 1997 A Bonds Sinking Fund and the Series 1997 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

The payments into the Series 1997 A Bonds Sinking Fund and the Series 1997 A Bonds Reserve Account and the payment of the SRF Administrative Fee as set forth in Schedule Y attached to the Loan Agreement shall be made on the first day of each month, except that when the first day of any month shall be a Saturday, Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

Moneys in the Series 1997 A Bonds Sinking Fund and the Series 1997 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 1997 A Bonds Sinking Fund, including the Series 1997 A Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 1997 A Bonds under the conditions and restrictions hereinafter set forth.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds and accounts, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds and accounts during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System, including debt service on the Notes.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due.

D. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from time to time from the sale of any or all of the Series 1997 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 1997 A Bonds, there shall first be deposited with the Commission in the Series 1997 A Bonds Sinking Fund, the amount, if any, specified in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 1997 A Bonds for the period commencing on the date of issuance of the Series 1997 A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 1997 A Bonds, there shall be deposited with the Commission in the Series 1997 A Bonds Reserve Account the sum, if any, set forth in the Supplemental Resolution for funding of the Series 1997 A Bonds Reserve Account.

C. Next, from the proceeds of the Series 1997 A Bonds, there shall first be credited to the Series 1997 A Bonds Construction Trust Fund and then paid, any and all borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of the Project, together with interest accrued thereon to the date of such payment, not otherwise paid from funds of the Issuer, including, without limitation, the Notes.

D. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 1997 A Bonds, such moneys shall be deposited with the Depository Bank in the Series 1997 A Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02.

E. After completion of construction of the Project, as certified by the Consulting Engineers, and all Costs have been paid, any remaining proceeds of the Series 1997 A Bonds shall be used to fund the Series 1997 A Bonds Reserve Account, if not funded upon issuance of the Bonds, in an amount not to exceed the Series 1997 A Bonds Reserve Requirement; provided that, in no event shall more than 10% of the proceeds of the Series 1997 A Bonds be deposited in the Series 1997 A Bonds Reserve Account, and if any such proceeds remain after funding the Series 1997 A Bonds Reserve Account, the same shall be expended as directed by the Authority and DEP.

F. The Depository Bank shall act as a trustee and fiduciary for the Bondholder with respect to the Series 1997 A Bonds Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Series 1997 A Bonds Construction Trust Fund set forth in the Bond Legislation. Moneys in the Series 1997 A Bonds Construction Trust Fund shall

be used solely to pay Costs of the Project and until so transferred or expended, are hereby pledged as additional security for the Series 1997 A Bonds.

Section 6.02. Disbursements From the Series 1997 A Bonds Construction Trust Fund. On or before the Closing Date, the Issuer shall have delivered to the Authority a report listing the specific purposes for which the proceeds of the Series 1997 A Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments for costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 1997 A Bonds Construction Trust Fund (except for costs of issuance of the Series 1997 A Bonds which shall be paid upon the request of the Issuer) shall be made only after submission to, and approval from, the Authority and DEP of the following:

A. A "Payment Requisition Form," the form of which is attached to the Loan Agreement as Exhibit C; and

B. A certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

1. That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;
2. That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;
3. That each of such costs has been otherwise properly incurred; and
4. That payment for each of the items proposed is then due and owing.

All payments made from the Series 1997 A Bonds Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Series 1997 A Bonds Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Series 1997 A Bonds Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

After completion of the Project, as certified by the Consulting Engineers, the Depository Bank shall transfer any moneys remaining in the Series 1997 A Bonds Construction Trust Fund to

the Series 1997 A Bonds Reserve Account, and when fully funded any such remaining moneys shall be expended as directed by the Authority and DEP.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 1997 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 1997 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Series 1997 A Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Series 1997 A Bonds not to be Indebtedness of the Issuer. The Series 1997 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any of the Series 1997 A Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay said Bonds or the interest, if any, thereon.

Section 7.03. Series 1997 A Bonds Secured by Pledge of Net Revenues: Lien Positions With Respect to Prior Bonds and Series 1997 B Bonds. The payment of the debt service of the Series 1997 A Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System on a parity with the lien on such Net Revenues in favor of the Holders of the Series 1986 B Bonds, the Series 1996 A Bonds and the Series 1997 B Bonds. Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest, if any, on the Prior Bonds and the Bonds and to make the payments into the Sinking Funds, including the Reserve Accounts therein, and all other payments provided for in the Bond Legislation, the Prior Resolutions and the Series 1997 B Bonds Resolution are hereby irrevocably pledged, in the manner provided herein, to such payments as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision of the Public Service Commission of West Virginia entered December 19, 1995, which Recommended Decision became the Final Order of the Public Service Commission of West Virginia on January 8, 1996, in Case No. 95-0594-PSD-42A, and such rates are hereby ratified and continued.

Section 7.05. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolutions. Additionally, so long as the Series 1997 A Bonds are Outstanding

and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds and Prior Bonds Outstanding, or to effectively defease this Bond Legislation in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds and Prior Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds pro rata, with respect to the principal amount of each of the Bonds and Prior Bonds then Outstanding, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Bonds and Prior Bonds in such manner. Any balance remaining after the payment of all the Bonds and Prior Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$50,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 but not in excess of \$200,000, the Issuer shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property shall be deposited in the Renewal and Replacement Fund. Such payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay all Bonds and Prior Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds and Prior Bonds then outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds and Prior Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and in Section 7.07, so long as any of the Series 1997 A Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 1997 A Bonds. All obligations issued by the Issuer after the issuance of the Series 1997 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 1997 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein at the time of the issuance of such subordinate obligations have been made and are current. Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 1997 A Bonds, and the interest thereon, if any, upon any of the income and revenues of the System pledged for payment of the Series 1997 A Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds.

So long as any of the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the respective Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 1997 A Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1997 A Bonds, and must have the prior written consent of the Authority and the DEP.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding one or more series of the Prior Bonds and/or the Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the

improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Prior Bonds and the Series 1997 Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution or the Series 1997 B Bonds Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the said Independent Certified Public Accountants on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

All Parity Bonds shall mature on the day of the years of maturities, and the interest thereon shall be payable on the days of each year, specified in a Supplemental Resolution.

Parity Bonds shall not be deemed to include Bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 1997 A Bonds on such revenues. The Issuer shall not issue any

obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1997 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation and the Prior Resolution with respect to the Bonds and Prior Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books, Records and Facilities. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or its agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as it may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or its agents and representatives, to inspect all records pertaining to the operation of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

- A. A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- B. A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation with respect to said Bonds and the status of all said funds and accounts.
- C. The amount of any Prior Bonds and Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement and this Bond Legislation, and that the Issuer's revenues are adequate to meet its operation and maintenance expenses and debt service and reserve requirements.

The Issuer shall permit the Authority and the DEP, or its agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority and the DEP, or its agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Loan Agreement or as promulgated from time to time.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to

time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% (125% so long as any of the Series 1996 A Bonds remain Outstanding) of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1997 A Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1997 A Bonds, including the Prior Bonds and the Series 1997 B Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit, respectively, in the Series 1997 A Bonds Reserve Account and reserve accounts for obligations prior to or on a parity with the Series 1997 A Bonds, including the Prior Bonds and the Series 1997 B Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1997 A Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1997 A Bonds, including the Prior Bonds and the Series 1997 B Bonds (but shall remain at 125% so long as any of the Series 1996 A Bonds remain Outstanding). In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate schedule described in Section 7.04.

Section 7.10. Operating Budget; Audit and Monthly Financial Report. The Issuer, by the unanimous consent and approval of the Governing Body, may amend the budget during the subject Fiscal Year provided that the budget remains balanced after such amendment. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget, any amendments thereto and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets, any amendments thereto and resolutions be furnished him or her and shall make available such budgets, any amendments thereto and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

The Issuer shall notify the DEP in writing of the certified operator employed at the 25% completion stage.

Section 7.12. No Competing Franchise. Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Any moneys held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein, and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts, and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 1997 A Bonds:

A. If default occurs in the due and punctual payment of the principal of or interest on the Series 1997 A Bonds; or

B. If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 1997 A Bonds, set forth in this Bond Legislation, any supplemental resolution or in the Series 1997 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

C. If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

D. If default occurs with respect to the Prior Bonds, the Prior Resolutions, the Series 1997 B Bonds or the Series 1997 B Bonds Resolution.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Holders of the Bonds, including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that all rights and remedies of the Holders of the Series 1997 A Bonds shall be on a parity with the Holders of the Prior Bonds and the Series 1997 B Bonds.

Section 9.03. Appointment of Receiver. Any Holder of a Bond, may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Holder of a Bond, shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the

acquisition and construction of the Project on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other avenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Upon any subsequent default, any Holder of any Bonds, shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Holders of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds, and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act") and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Crab Orchard-MacArthur Public Service District (the "Issuer") is a public service district, public corporation and political subdivision of the State of West Virginia in Raleigh County of said State.

B. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain additions, betterments and improvements to the Issuer's existing public sewerage facilities, including the additions, betterments and improvements described in Exhibit A hereto (collectively, the "Project") (the Issuer's existing sewerage facilities, the Project and any further additions thereto or extensions thereof is herein called the "System") in accordance with the plans and specifications prepared by Dunn Engineers, Inc., Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The acquisition and construction of the System was financed with the proceeds from \$3,685,177.00 in principal amount of the Issuer's Sewer Revenue Bonds, Series 1986 A (the "Series 1986 A Bonds") and \$161,688 in principal amount of the Issuer's Sewer Revenue Bonds, Series 1986 B (the "Series 1986 B Bonds"), issued on May 29, 1986, authorized pursuant to the Bond Resolution adopted by the Issuer on May 27, 1986, as supplemented and amended (the "Series 1986 Bonds Resolution").

D. The Series 1986 A Bonds were refunded and defeased in accordance with the Series 1986 Bonds Resolution with a portion of the Issuer's Sewerage System Refunding Revenue Bonds, Series 1996 A (the "Series 1996 A Bonds"), dated July 15, 1996, authorized pursuant to the Bond Resolution adopted by the Issuer on July 23, 1996, as supplemented and amended (the "Series 1996 A Bonds Resolution") (the Series 1986 Bonds Resolution and the Series 1996 A Bonds Resolution are collectively referred to herein as the "Prior Resolutions").

E. The Issuer derives revenues from the System, and, except for the pledges thereof to secure and pay the Series 1986 B Bonds and the Series 1996 A Bonds (collectively, the "Prior Bonds"), said revenues are not pledged or encumbered in any manner.

F. The estimated maximum cost of the construction and acquisition of the Project and issuance of the Series 1997 Bonds, as hereinafter defined, is \$3,019,300, of which (i) \$250,000 will be permanently financed with the proceeds of the Issuer's Sewerage System Revenue Bonds, Series 1997 A (West Virginia SRF Program) (the "Series 1997 A Bonds") to be issued concurrently with the issuance of the Series 1997 B Bonds hereinafter defined, (ii) \$1,774,300 will be permanently financed with the proceeds of the Issuer's Sewerage System Revenue Bonds, Series 1997 B (West Virginia Infrastructure Fund) (the "Series 1997 B Bonds") authorized herein, (iii) \$745,000 will be paid with the proceeds of a grant by the United States Department of Housing and Urban Development (Small Cities Block Grant through the State of West Virginia), and (iv) \$250,000 will be paid with the proceeds of a grant from the County Commission of Raleigh County, West Virginia (the Series 1997 A Bonds and the Series 1997 B Bonds are collectively referred to herein as the "Series 1997 Bonds").

G. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Series 1997 Bonds and the Prior Bonds, and all sinking funds, reserve accounts and other payments provided for herein, in the Prior Resolutions, and in the Series 1997 A Bonds Resolution, as such term is hereinafter defined.

H. It is further deemed necessary for the Issuer to issue the Series 1997 B Bonds, in the total aggregate principal amount of not more than \$1,774,300, initially to be represented by a single bond, to permanently finance a portion of the costs of acquisition and construction of the Project, as hereinafter defined. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon such Bonds prior to and during construction and acquisition and for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Series 1997 B Bonds Reserve Account, as hereinafter defined; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of such Series 1997 B Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of such Series 1997 B Bonds or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

I. The period of usefulness of the System after completion of the Project is not less than 40 years.

J. It is in the best interest of the Issuer that its Series 1997 B Bonds be issued and sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the Council (as hereinafter defined) the execution, delivery and form of which are authorized and approved herein. The Issuer has met the requirements of the Prior Resolutions for the issuance of the Series 1997 B Bonds on a parity with the Prior Bonds and has received, or will receive prior to the bond closing date, written consent from the owner of the Series 1986 B Bonds to issue the Series 1997 B Bonds on a parity with the lien of the Series 1986 B Bonds.

K. There will be issued concurrently on the Closing Date, additional obligations of the Issuer which will rank on a parity with the Series 1997 B Bonds and the Prior Bonds as to liens, pledge, source of and security for payment, being the Series 1997 A Bonds, to be issued pursuant to a separate resolution adopted by the Issuer simultaneously herewith (the "Series 1997 A Bonds Resolution"). There are no outstanding obligations of the Issuer other than the Series 1986

B Bonds and the Series 1996 A Bonds which will rank either senior and prior to or on parity with the Series 1997 Bonds as to liens and sources of and security for payment.

L. The Series 1997 B Bonds shall be issued with a lien on the Net Revenues, as hereinafter defined, on a parity with the lien held by the Holders of the Prior Bonds and the Series 1997 A Bonds.

M. The Issuer has complied with all requirements of West Virginia law relating to authorization of the acquisition, construction and operation of the Project and the System, and issuance of the Series 1997 B Bonds or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a Certificate of Public Convenience and Necessity, and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which has expired prior to the issuance of the Series 1997 B Bonds or has been waived by all necessary parties.

N. It is in the best interests of the Issuer that the Issuer enter into an interim financing agreement with the Interim Financing Bank as further provided in Article IV hereof.

O. The Project has been reviewed and determined to be technically and financially feasible by the Council (as hereinafter defined) as required under the Act, and the Council has authorized the Authority to make a loan to the Issuer from the West Virginia Infrastructure Fund.

Section 1.03. Bond Legislation Constitutes Contract. The Series 1997 B Bonds shall bear interest, if any, at such rate or rates, not exceeding the then legal maximum, payable quarterly on such dates; shall mature on such dates and in such amounts; and shall be redeemable, in whole or in part, all as the Issuer shall prescribe in a Supplemental Resolution or as specifically provided in the Loan Agreement. The Series 1997 B Bonds shall be payable as to principal at the office of the Paying Agent, in any coin or currency which, on the dates of payment of principal is legal tender for the payment of public or private debts under the laws of the United States of America. Interest on the Series 1997 B Bonds, if any, shall be paid by check or draft of the Paying Agent mailed to the Registered Owner thereof at the address as it appears on the books of the Bond Registrar, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner thereof.

Unless otherwise provided by the Supplemental Resolution, the Series 1997 B Bonds shall be issued in the form of a single bond, fully registered to the Authority, with a record of advances and a debt service schedule attached, representing the aggregate principal amount of the Series 1997 B Bonds, and shall mature in principal installments, all as provided in the Supplemental Resolution. The Series 1997 B Bonds shall be exchangeable at the option and expense of the Holder for other fully registered Bonds of the same series in aggregate principal amount equal to the amount of said Bonds then Outstanding and being exchanged, with principal installments or maturities, as applicable, substantially corresponding to the principal installments or maturities of the Bonds being exchanged; provided that, the net interest cost amount on the exchanged Bonds shall not exceed the net interest cost amount on the Bonds being exchanged; and provided further, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds, if any, shall be issued in fully registered form and in denominations as determined by a Supplemental Resolution. The Bonds shall be dated as of the date

specified in a Supplemental Resolution and shall bear interest, if any, as provided in such Supplemental Resolution.

Section 3.03. Execution of Bonds. The Series 1997 B Bonds shall be executed in the name of the Issuer by the Chairman, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed any of the Series 1997 B Bonds shall cease to be such officer of the Issuer before the Series 1997 B Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 1997 B Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 1997 B Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 1997 B Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Subject to the provisions for transfer of registration set forth below, the Series 1997 B Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting any of said Series 1997 B Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bond shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 1997 B Bonds remain Outstanding, the Issuer, through the Bond Registrar or its agent, shall keep and maintain the books for the registration and transfer of the Series 1997 B Bonds.

The registered Series 1997 B Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 1997 B Bonds or transferring the registered Series 1997 B Bonds are exercised, Series 1997 B Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 1997 B Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of Series 1997 B Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 1997 B Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 1997 B Bonds or, in the case of any proposed redemption of Series 1997 B Bonds, next preceding the date of the selection of Series 1997 B Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 1997 B Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be canceled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 1997 B Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided and amounts, if any, in the Series 1997 B Bonds Reserve Account. No holder or holders of any of the Series 1997 B Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 1997 B Bonds or the interest, if any, thereon. The Issuer has no taxing power.

Section 3.08. Bonds Secured by Pledge of Net Revenues, Lien Positions With Respect to Prior Bonds and Series 1997 A Bonds. The payment of the debt service of all the Series 1997 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System on a parity with the lien on such Net Revenues in favor of the Holders of the Prior Bonds and the Series 1997 A Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Prior Bonds and the Series 1997 Bonds and to make the payments into the Sinking Funds, the Reserve Accounts therein, and the Renewal and Replacement Fund established in the Series 1986 Bonds Resolution and

continued herein, are hereby irrevocably pledged to the payment of the principal of and interest on the Series 1997 Bonds and the Prior Bonds as the same become due.

Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of _____, as registrar (the "Registrar") by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing.

As and when additional Bonds ranking on a parity with the Series 1997 B Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in a amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional parity Bonds.

The Issuer shall not be required to make any further payments into the Series 1997 B Bonds Sinking Fund, or into the Series 1997 B Reserve Account therein, when the aggregate amount of funds are at least equal to the aggregate principal amount of the Series 1997 B Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the respective maturities thereof.

Principal, interest and reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds, the Series 1997 A Bonds and the Series 1997 B Bonds, in accordance with the respective principal amounts then Outstanding.

The payments into the Series 1997 B Bonds Sinking Fund and the Series 1997 B Bonds Reserve Account shall be made on the first day of each month, except that when the first day of any month shall be a Saturday, Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

Moneys in the Series 1997 B Bonds Sinking Fund and the Series 1997 B Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 1997 B Bonds Sinking Fund, including the Series 1997 B Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 1997 B Bonds under the conditions and restrictions hereinafter set forth.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds and accounts, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds and accounts during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System, including debt service on the Notes.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due.

D. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from time to time from the sale of any or all of the Series 1997 B Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 1997 B Bonds, there shall first be deposited with the Commission in the Series 1997 B Bonds Sinking Fund; the amount, if any, specified in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 1997 B Bonds for the period commencing on the date of issuance of the Series 1997 B Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 1997 B Bonds, there shall be deposited with the Commission in the Series 1997 B Bonds Reserve Account the sum, if any, set forth in the Supplemental Resolution for funding of the Series 1997 B Bonds Reserve Account.

C. Next, from the proceeds of the Series 1997 B Bonds, there shall first be credited to the Series 1997 B Bonds Construction Trust Fund and then paid, any and all borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of the Project, together with interest accrued thereon to the date of such payment, not otherwise paid from funds of the Issuer, including, without limitation, the Notes.

D. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 1997 B Bonds, such moneys shall be deposited with the Depository Bank in the Series 1997 B Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02.

E. After completion of construction of the Project, as certified by the Consulting Engineers, and all Costs have been paid, any remaining proceeds of the Series 1997 B Bonds shall be used as directed in writing by the Authority and the Council.

F. The Depository Bank shall act as a trustee and fiduciary for the Bondholder with respect to the Series 1997 B Bonds Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Series 1997 B Bonds Construction Trust Fund set forth in the Bond Legislation. Moneys in the Series 1997 B Bonds Construction Trust Fund shall be used solely to pay Costs of the Project and until so transferred or expended, are hereby pledged as additional security for the Series 1997 B Bonds.

Section 6.02. Disbursements From the Series 1997 B Bonds Construction Trust Fund. The Issuer shall each month provide the Council and the Authority with a requisition for the costs incurred for the Project, together with such documentation as the Council shall require. Payments for costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 1997 B Bonds Construction Trust Fund (except for the costs of issuance of the Series 1997 B Bonds which shall be paid upon request of the Issuer) shall be made only after submission to Depository Bank of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

1. That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;
2. That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;
3. That each of such costs has been otherwise properly incurred; and
4. That payment for each of the items proposed is then due and owing.

All payments made from the Series 1997 B Bonds Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Series 1997 B Bonds Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Series 1997 B Bonds Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

After completion of the Project, as certified by the Consulting Engineers, the Depository Bank shall transfer any moneys remaining in the Series 1997 B Bonds Construction Trust Fund as directed in writing by the Authority and the Council.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 1997 B Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 1997 B Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Series 1997 B Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Series 1997 B Bonds not to be Indebtedness of the Issuer. The Series 1997 B Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any of the Series 1997 B Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay said Bonds or the interest, if any, thereon.

Section 7.03. Series 1997 B Bonds Secured by Pledge of Net Revenues; Lien Positions With Respect to Prior Bonds and Series 1997 A Bonds. The payment of the debt service of the Series 1997 B Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System on a parity with the lien on such Net Revenues in favor of the Holders of the Series 1986 B Bonds, the Series 1996 A Bonds and the Series 1997 A Bonds. Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest, if any, on the Prior Bonds and the Bonds and to make the payments into the Sinking Funds, including the Reserve Accounts therein, and all other payments provided for in the Bond Legislation, the Prior Resolutions and the Series 1997 A Resolution are hereby irrevocably pledged, in the manner provided herein, to such payments as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision of the Public Service Commission of West Virginia entered December 19, 1995, which Recommended Decision became the Final Order of the Public Service Commission of West Virginia on January 8, 1996, in Case No. 95-0594-PSD-42A, and such rates are hereby ratified and continued.

Section 7.05. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolutions. Additionally, so long as the Series 1997 B Bonds are Outstanding

and except as otherwise required by law or with the written consent of the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds and Prior Bonds Outstanding, or to effectively defease this Bond Legislation in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds and Prior Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds pro rata, with respect to the principal amount of each of the Bonds and Prior Bonds then Outstanding, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Bonds and Prior Bonds in such manner. Any balance remaining after the payment of all the Bonds and Prior Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$50,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 but not in excess of \$200,000, the Issuer shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property shall be deposited in the Renewal and Replacement Fund. Such payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay all Bonds and Prior Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds and Prior Bonds then outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds and Prior Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and in Section 7.07, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 1997 B Bonds. All obligations issued by the Issuer after the issuance of the Series 1997 B Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 1997 B Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein at the time of the issuance of such subordinate obligations have been made and are current. Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 1997 B Bonds, and the interest thereon, if any, upon any of the income and revenues of the System pledged for payment of the Series 1997 B Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as any of the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the respective Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 1997 B Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1997 B Bonds, and must have the prior written consent of the Authority and the Council.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding one or more series of the Prior Bonds and/or the Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest

aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Prior Bonds and the Series 1997 B Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution or the Series 1997 A Bonds Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the said Independent Certified Public Accountants on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

All Parity Bonds shall mature on the day of the years of maturities, and the interest thereon shall be payable on the days of each year, specified in a Supplemental Resolution.

Parity Bonds shall not be deemed to include Bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 1997 B Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank

prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1997 B Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation and the Prior Resolution with respect to the Bonds and Prior Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books, Records and Facilities. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority, or its agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as it may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority, or its agents and representatives, to inspect all records pertaining to the operation of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the Council, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

A. A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

B. A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation with respect to said Bonds and the status of all said funds and accounts.

C. The amount of any Prior Bonds and Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Authority and the Council, or any other original purchaser of the Bonds. Such audit report submitted to the Authority and the Council shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement and this Bond Legislation, and that the Issuer's revenues are adequate to meet its operation and maintenance expenses and debt service and reserve requirements.

The Issuer shall permit the Authority, or its agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority, or its agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% (125% so long as any of the Series 1996 A Bonds remain Outstanding) of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1997 B Bonds, and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1997 B Bonds, including the Prior Bonds and the Series 1997 A Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 1997 B Bonds Reserve Account and reserve accounts for obligations prior to or on a parity with the Series

1997 B Bonds, including the Prior Bonds and the Series 1997 A Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1997 B Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1997 B Bonds, including the Prior Bonds and the Series 1997 A Bonds (but shall remain at 125% so long as any of the Series 1996 A Bonds remain Outstanding). In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate schedule described in Section 7.04.

Section 7.10. Operating Budget; Audit and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority within 30 days of adoption thereof. The Issuer, by the unanimous consent and approval of the Governing Body, may amend the budget during the subject Fiscal Year provided that the budget remains balanced after such amendment. If the budget is so amended, a copy of the amended budget shall be submitted to the Authority within 15 days of the adoption of such amendment. After the adoption of any such amendment, the budget, as amended, shall be the budget of the Issuer for the balance of the subject Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget, any amendments thereto and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the Council and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets, any amendments thereto and resolutions be furnished him or her and shall make available such budgets, any amendments thereto and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement as Exhibit C, and forward a copy of such report to the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate from the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved

plans, specifications and designs as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council, is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority and the Council covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the Authority, the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer agrees that qualified operating personnel properly certified by the State will be employed to operate the System so long as the Bonds are Outstanding.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement

by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. The Issuer will carry such insurance and in such amounts as is customarily carried with respect to works and properties similar to the System, with a reputable insurance carrier or carriers, against loss or damage by fire, explosion, hurricane, earthquake, cyclone, occupancy or other hazards and risks. The Issuer will require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Authority and the Council, so long as the Authority is the Owner of the Bonds. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their interests may appear, in accordance with the Loan Agreement, during construction of the Project in the full insurable value thereof. In time of war, the Issuer shall also carry in said amount such insurance as may be available against loss or damage by the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repair and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund. The Issuer will also carry liability insurance for damage or injury to persons or property in amounts adequate for such purposes and customarily carried with respect to works and properties similar to the System. The Issuer shall carry such other insurance as is required by the Authority and Council and as set forth in the Loan Agreement, including but not limited to flood insurance and business interruption insurance, to the extent available at reasonable cost to the Issuer.

The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and

welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein, and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts, and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding.

Section 8.02. Information With Respect to Gross Proceeds. The Issuer shall furnish to the Authority such information with respect to earnings on all funds constituting "gross proceeds" (as that term is defined in the Code) of the Series 1997 B Bonds from time to time as the Authority may request.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 1997 B Bonds:

A. If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 1997 B Bonds; or

B. If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 1997 B Bonds, set forth in this Bond Legislation, any supplemental resolution or in the Series 1997 B Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

C. If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

D. If default occurs with respect to the Prior Bonds, the Prior Resolutions, the Series 1997 A Bonds, or the Series 1997 A Bonds Resolution.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Holders of the Bonds, including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that all rights and remedies of the Holders of the Series 1997 B Bonds shall be on a parity with the Holders of the Prior Bonds and the Series 1997 A Bonds.

Section 9.03. Appointment of Receiver. Any Holder of a Bond, may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Holder of a Bond, shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the

acquisition and construction of the Project on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other avenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Holder of any Bonds, shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Holders of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds, and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

Neither securities nor moneys deposited with the Commission pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal installments of and interest on said Series 1997 B Bonds; provided, that any cash received from such principal or interest payments on such securities deposited with the Commission or its agent, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal installments of and interest to become due on said Bonds on and prior to the next redemption date or the maturity dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Commission or its agent, free and clear of any trust, lien or pledge. STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation"), supplemental to the Prior Resolutions (as hereinafter defined), is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Crab Orchard-MacArthur Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Raleigh County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be designed certain improvements and extensions to the existing public sewerage facilities of the Issuer, consisting of improvements to the Issuer's wastewater treatment plant, together with all appurtenant facilities (collectively, the "Project"), which constitute properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing public sewerage facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System").

C. The Issuer intends to permanently finance a portion of the costs of design of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund program (the "SRF Program"), pursuant to the Act, in order to take advantage of the favorable terms available to the Issuer under the SRF Program.

D. It is deemed necessary for the Issuer to issue its Sewerage System Design Revenue Bonds, Series 1999 (West Virginia SRF Program), in the total aggregate principal amount of not more than \$478,630 (the "Series 1999 Bonds"), to permanently finance a portion of the costs of design of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; amounts which may be deposited in the Series 1999 Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 1999 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the design of the Project, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 1999 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System is not less than 25 years.

F. It is in the best interests of the Issuer that its Series 1999 Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, a division of the West Virginia Bureau of Environment (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank either on a parity with or junior and subordinate to the Series 1999 Bonds as to liens, pledge and source of and security for payment, being the Sewer Revenue Bonds, Series 1986 B, dated May 29, 1986, issued in the original aggregate principal amount of \$161,688 (the "Series 1986 B Bonds"), the Sewer Revenue Bonds, Series 1993, dated April 29, 1993, issued in the original aggregate principal amount of \$90,000 (the "Series 1993 Bonds"), the Sewerage System Refunding Revenue Bonds, Series 1996 A, dated July 15, 1996, issued in the original aggregate principal amount of \$4,925,000 (the "Series 1996 A Bonds"), the Sewerage System Revenue Bonds, Series 1997 A (West Virginia SRF Program), dated June 5, 1997, issued in the original aggregate principal amount of \$250,000 (the "Series 1997 A Bonds"), and the Sewerage System Revenue Bonds, Series 1997 B (West Virginia Infrastructure Fund), dated June 5, 1997, issued in the original aggregate principal amount of \$1,774,300 (the "Series 1997 B Bonds"). All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

Replacement Fund (as previously set forth in the Prior Resolutions and not in addition thereto), a sum equal to 2 1/2 % of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Any withdrawals from the Series 1999 Bonds Reserve Account which result in a reduction in the balance of the Series 1999 Bonds Reserve Account to below the Series 1999 Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 1999 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an

amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional parity Bonds.

The Issuer shall not be required to make any further payments into the Series 1999 Bonds Sinking Fund or the Series 1999 Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 1999 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the First Lien Bonds, and thereafter, with respect to the Series 1993 Bonds from Surplus Revenues, all in accordance with the respective principal amounts then outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 1999 Bonds Sinking Fund and the Series 1999 Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into the Series 1999 Bonds Sinking Fund and the Series 1999 Bonds Reserve Account shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 1999 Bonds Sinking Fund and the Series 1999 Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 1999 Bonds Sinking Fund, including the Series 1999 Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 1999 Bonds under the conditions and restrictions set forth herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day), deposit with the Commission the required principal, interest and reserve payments with respect to the Series 1999 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

The Issuer shall also on the first day of each month (if such day is not a business day, then the next succeeding business day) deposit with the Commission the SRF Administrative Fee as set forth in Schedule Y attached to the Loan Agreement.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement as Exhibit F, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

immediately adjust and increase such schedule of rates and charges so as to provide funds sufficient to produce the amounts required by this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolutions. Additionally, so long as the Series 1999 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 1999 Bonds, immediately be remitted to the Commission for deposit in the Series 1999 Bonds Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 1999 Bonds. Any balance remaining after the payment of the Series 1999 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of \$10,000 and not in excess of \$50,000, shall with the written consent of the Authority, be remitted by the Issuer to the Commission for deposit in the Sinking Funds and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value or otherwise shall be

deposited in the Renewal and Replacement Fund. Such payment of such proceeds into the Sinking Funds or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 1999 Bonds. All obligations issued by the Issuer after the issuance of the Series 1999 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 1999 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 1999 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 1999 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 1999 Bonds pursuant to this Bond Legislation, except with the prior written consent of the DEP and the Authority under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolutions).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1999 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 1999 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1999 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of designing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as it may reasonably require in connection with the design of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation of the System at all reasonable times.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a

Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Consulting Engineers, the Authority and the DEP, or any other original purchaser of the Series 1999 Bonds, and shall mail in each year to any Holder or Holders of the Series 1999 Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 1999 Bonds, and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 1999 Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement, the Act and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, access to the System site and facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the Loan Agreement or as promulgated from time to time.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% (provided, however, that so long as any of the Series 1996 A Bonds are outstanding, the coverage ratio shall be 125%) of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1999 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 1999 Bonds, including the First Lien Bonds but excluding the Series 1993 Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 1999 Bonds Reserve Account and the Reserve Accounts for obligations on a parity with the Series 1999 Bonds, including the First Lien Bonds but excluding the Series 1993 Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% (provided, however, that so long as any of the Series 1996 A Bonds are outstanding, the coverage ratio shall be 125%) of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1999 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 1999 Bonds, including the First Lien Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of

adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the DEP and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the design of the Project and for two years following the completion of design of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement as Exhibit B, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project will be designed as described in the application submitted to the Authority and the DEP.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To

the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or

destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and no less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE for all employees of or for the System eligible therefor.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Division of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Division of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after

a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Design; Permits and Orders. The Issuer will cause the Project to be completed as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer will obtain all permits required by state and federal laws for the operation of the System and all orders and approvals from the Public Service Commission of West Virginia necessary for the Project.

Section 7.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. **PRIVATE BUSINESS USE LIMITATION.** The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 1999 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 1999 Bonds during the term thereof is, under the terms of the Series 1999 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 1999 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 1999 Bonds during the term thereof is, under the terms of the Series 1999 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed

money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 1999 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 1999 Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of the portion of the Project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. **PRIVATE LOAN LIMITATION.** The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 1999 Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. **FEDERAL GUARANTEE PROHIBITION.** The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 1999 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. **INFORMATION RETURN.** The Issuer will timely file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 1999 Bonds and the interest thereon including, without limitation, the information return required under Section 149(e) of the Code.

E. **FURTHER ACTIONS.** The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 1999 Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holders of the Series 1999 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 1999 Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the First Lien

Bonds and senior and prior to the statutory mortgage lien in favor of the Holder of the Series 1993 Bonds.

Section 7.20. Compliance with Loan Agreement and Law. The Issuer agrees to comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer will provide the DEP with copies of all documents submitted to the Authority.

The Issuer also agrees to comply with all applicable laws, rules and regulations issued by the Authority, the DEP or other state, federal or local bodies in regard to the design of the Project and the operation, maintenance and use of the System.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest on the Series 1999 Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 1999 Bonds which would cause the Series 1999 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take any and all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 1999 Bonds) so that the interest on the Series 1999 Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 1999 Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 1999 Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect, with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and the required amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 1999 Bonds from gross income for federal income tax purposes.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for any exception to rebate, the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 1999 Bonds subject to rebate. The Issuer shall also furnish the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Series 1999 Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 1999 Bonds:

- (1) If default occurs in the due and punctual payment of the principal of or interest on the Series 1999 Bonds; or
- (2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 1999 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 1999 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or
- (3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or
- (4) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holder of the Series 1999 Bonds shall

be on a parity with the Holders of the First Lien Bonds and senior and prior to the Holder of the Series 1993 Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the design of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or

otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holders of the Series 1999 Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 1999 Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 1999 Bonds from gross income for federal income tax purposes.

ARTICLE XI

Following issuance of the Series 1999 Bonds, no material modification or amendment of this Resolution, or of any resolution amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Series 1999 Bonds shall be made without the consent in writing of the Registered Owners of the Series 1999 Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest, if any, out of the funds herein respectively pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds, required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the exclusion of interest, if any, on the Series 1999 Bonds from gross income of the holders thereof.

Section 11.02. Bond Legislation Constitutes Contract. Section 11.03. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution should be held invalid by any court of competent jurisdiction, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution, the Supplemental Resolution, or the Series 1999 Bonds.

Section 11.04. Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only, and shall not affect in any way the meaning or interpretation of any provision hereof.

between this Resolution and the Prior Resolutions, the Prior Resolutions shall control (unless less restrictive), so long as the Prior Bonds are outstanding.

Section 11.06. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

Section 11.07. Public Notice of Proposed Financing. Prior to making formal application to the Public Service Commission of West Virginia for a Certificate of Public Convenience and Necessity and adoption of this Resolution, the Secretary of the Governing Body shall have caused to be published in a newspaper of general circulation in each municipality in Crab Orchard-MacArthur Public Service District and within the boundaries of the District, a Class II legal advertisement stating:
